STEP

1

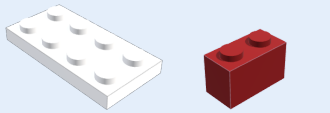

Court base

Two big green plates, then the court on top: blue, with the white baseline across the back and a green border all round.

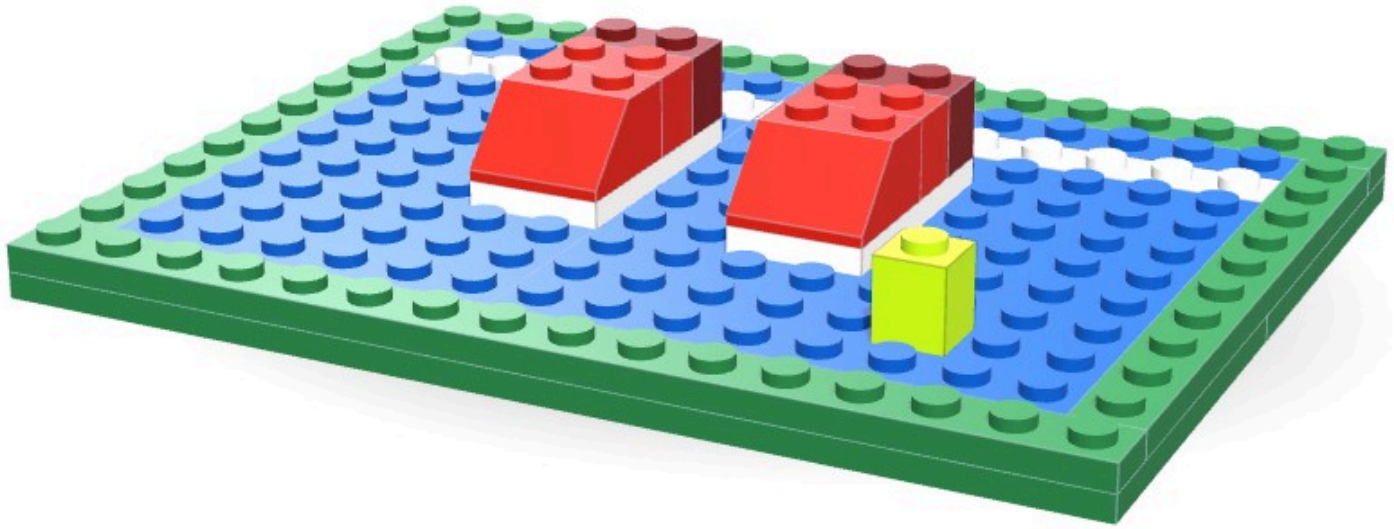

STEP

2

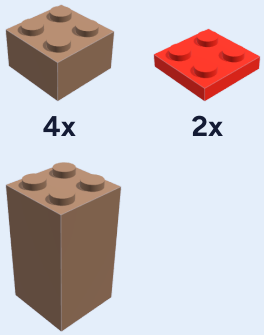

Shoes and the ball

White soles, red shoes with a sloped toe and a dark red heel. The lime ball sits by her left foot.

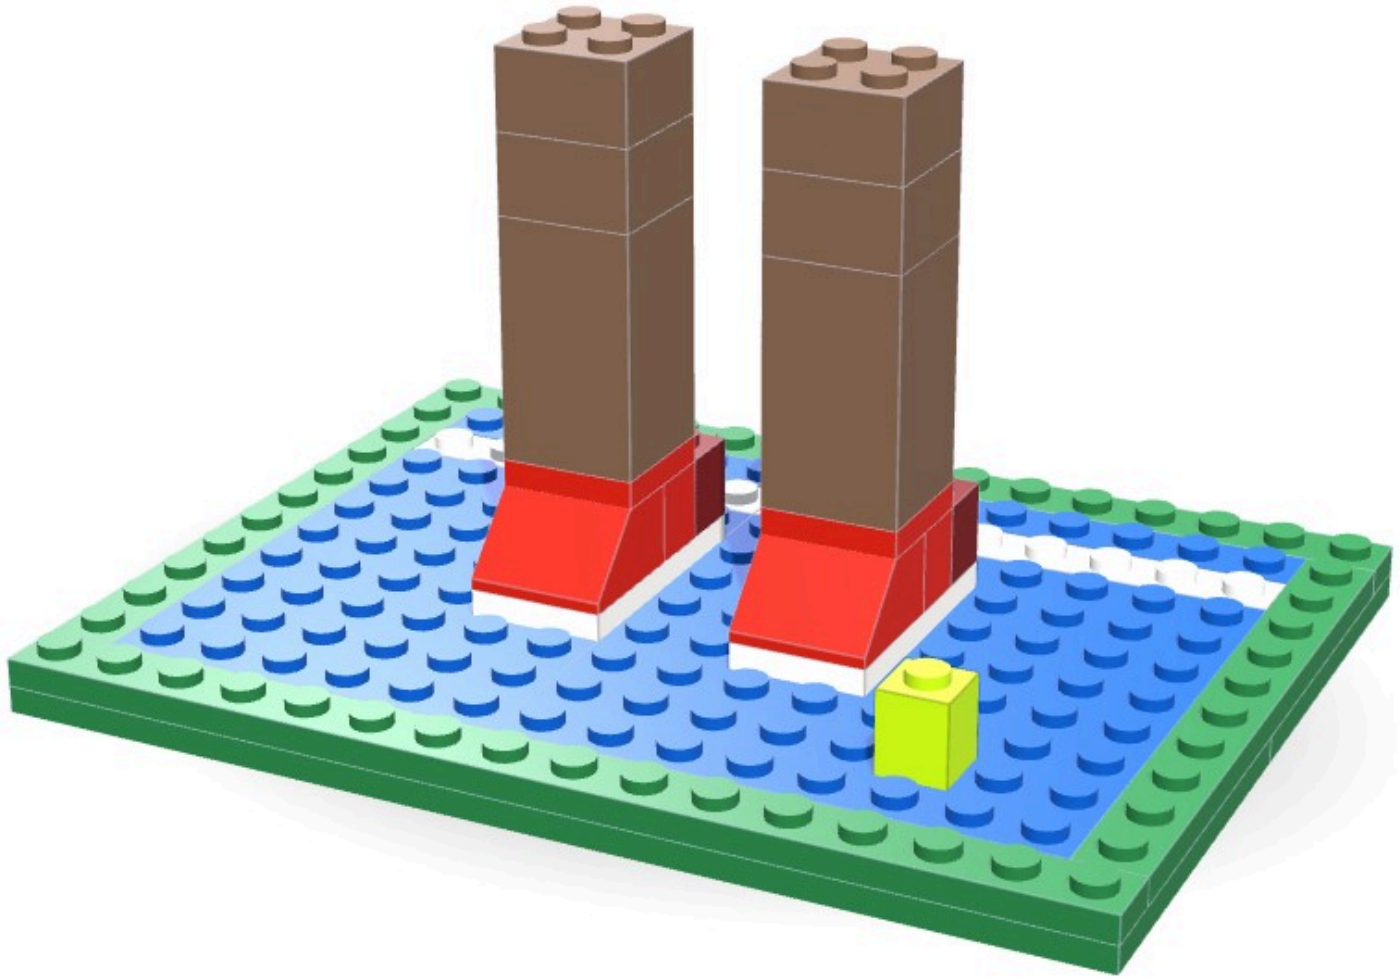

STEP

3

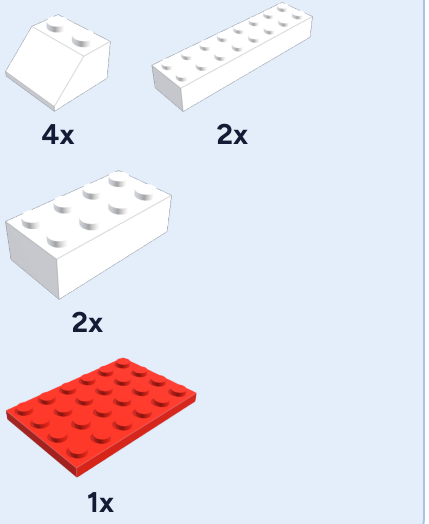

Socks and legs

A red 2×2 plate for each ankle sock, then five 2×2 bricks per leg, feet apart.

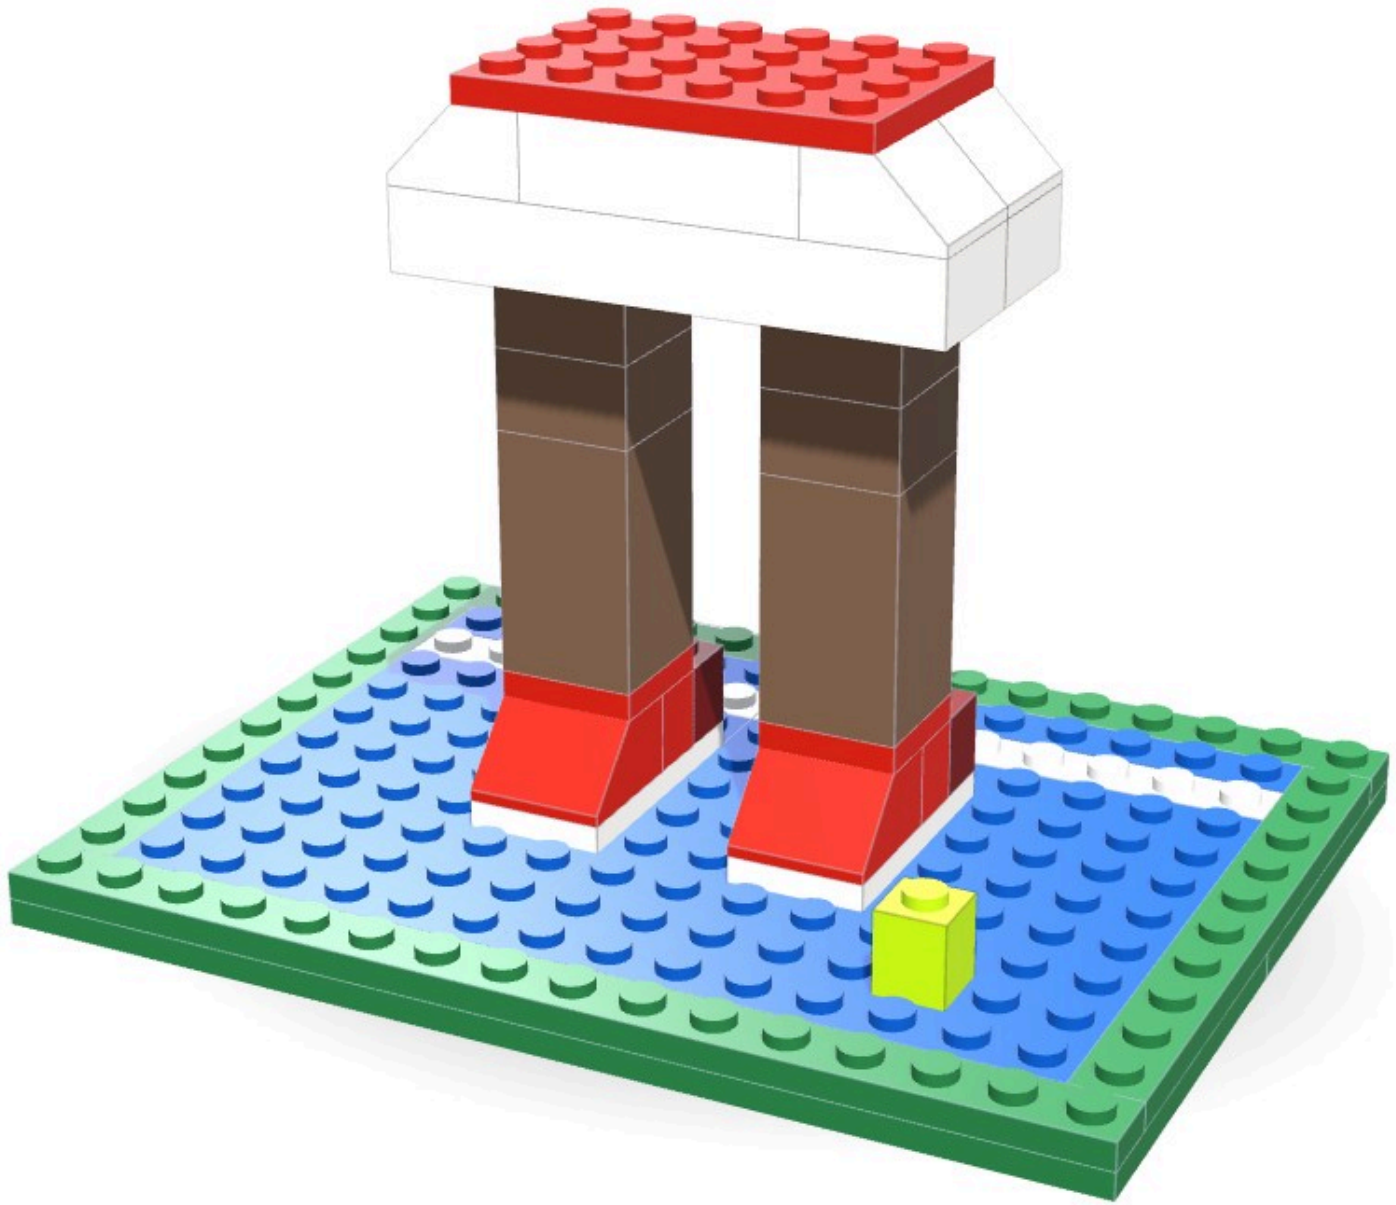

STEP

4

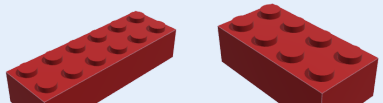

Pleated skirt

Two white 2×8 bricks join the legs; slopes on each side make the skirt flare. The red waistband plate goes on top.

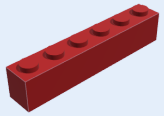

STEP

5

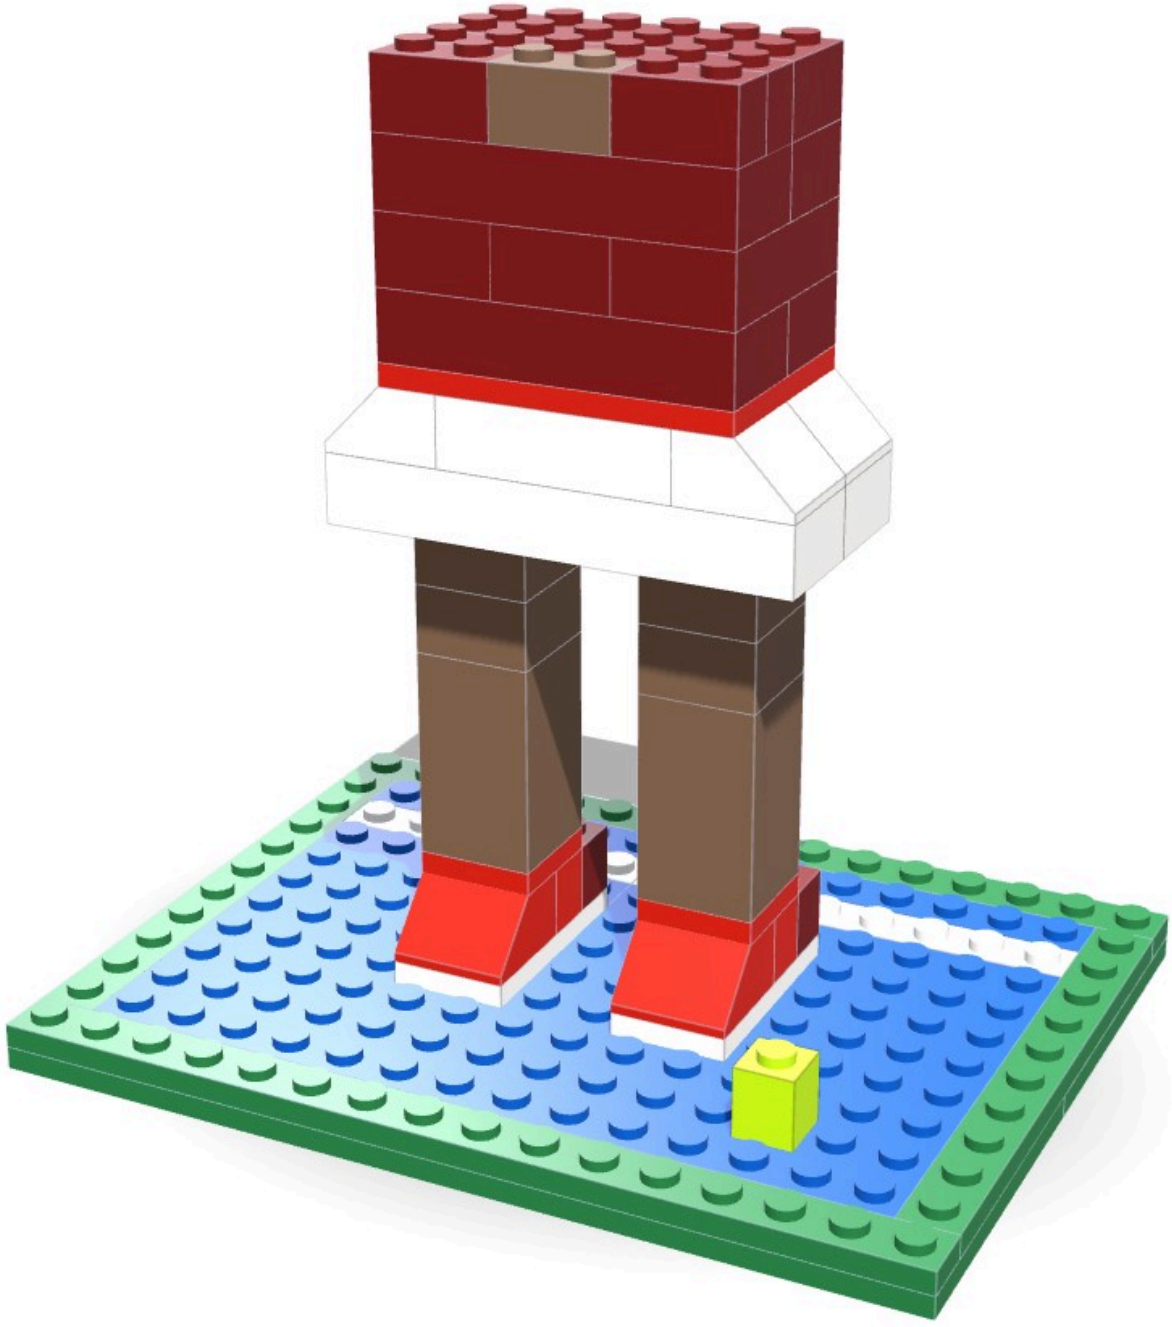

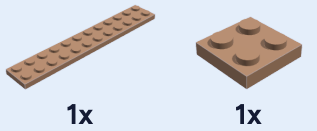

Burgundy tank top

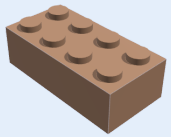

Four layers of dark red bricks, each turned across the one below. The top row leaves a scoop neck in skin colour.

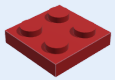

STEP

6

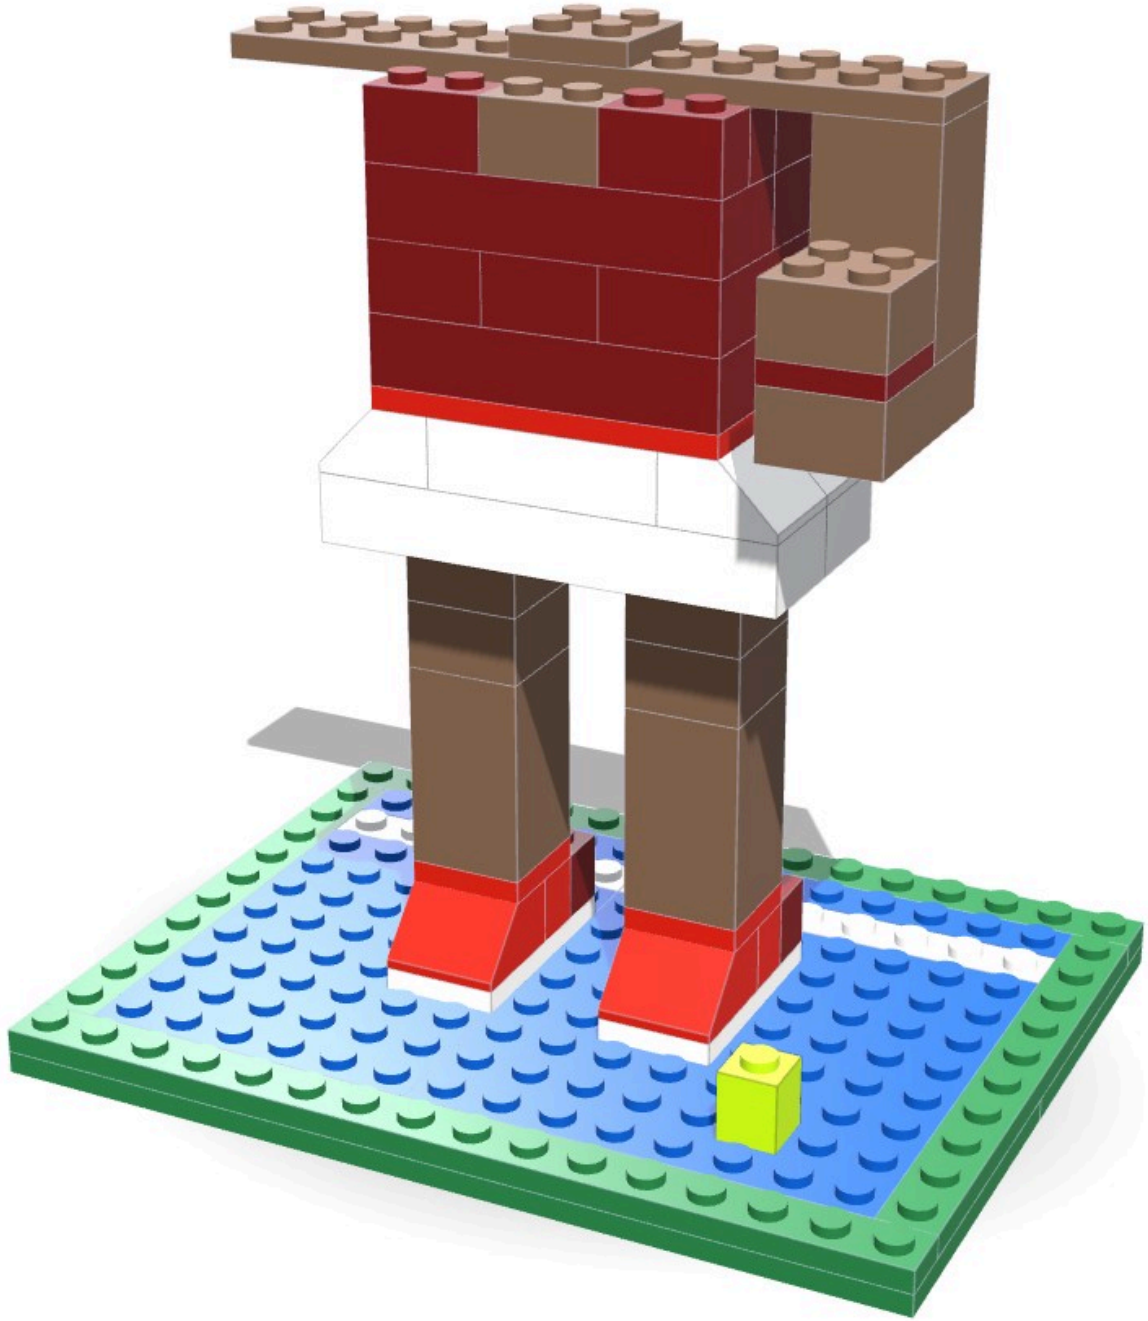

Shoulders and left fist

A 2×12 plate makes the shoulders. Her left arm hangs under it, the forearm points forward, and the fist goes up on a dark red wristband.

STEP

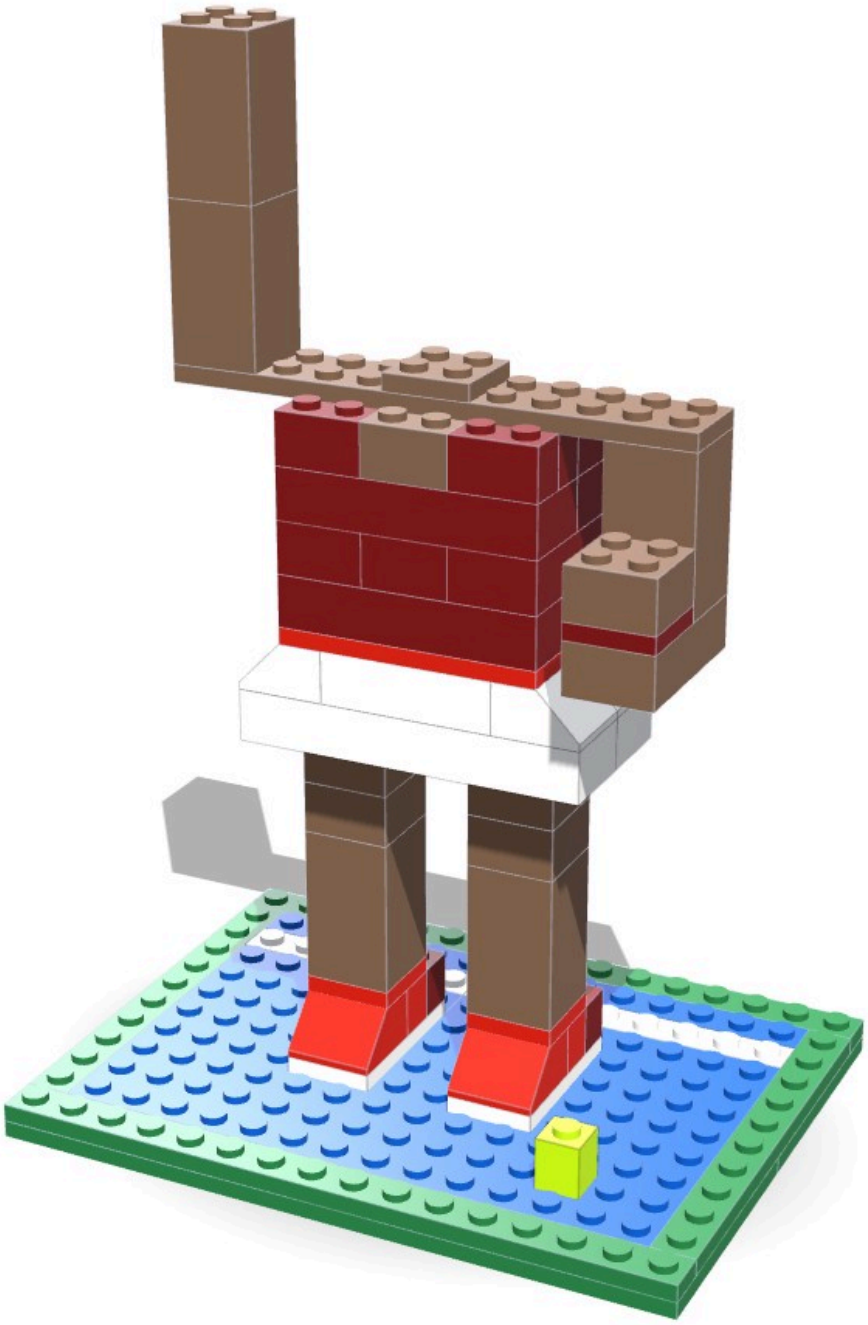

7

2x

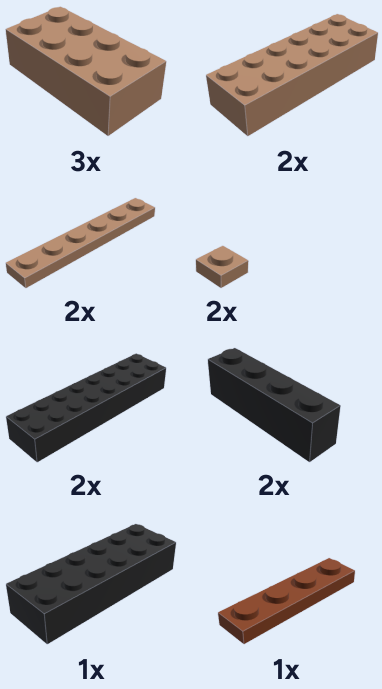

Right arm, raised

Five 2×2 bricks stack straight up from the shoulder, then the hand that will hold the racket.

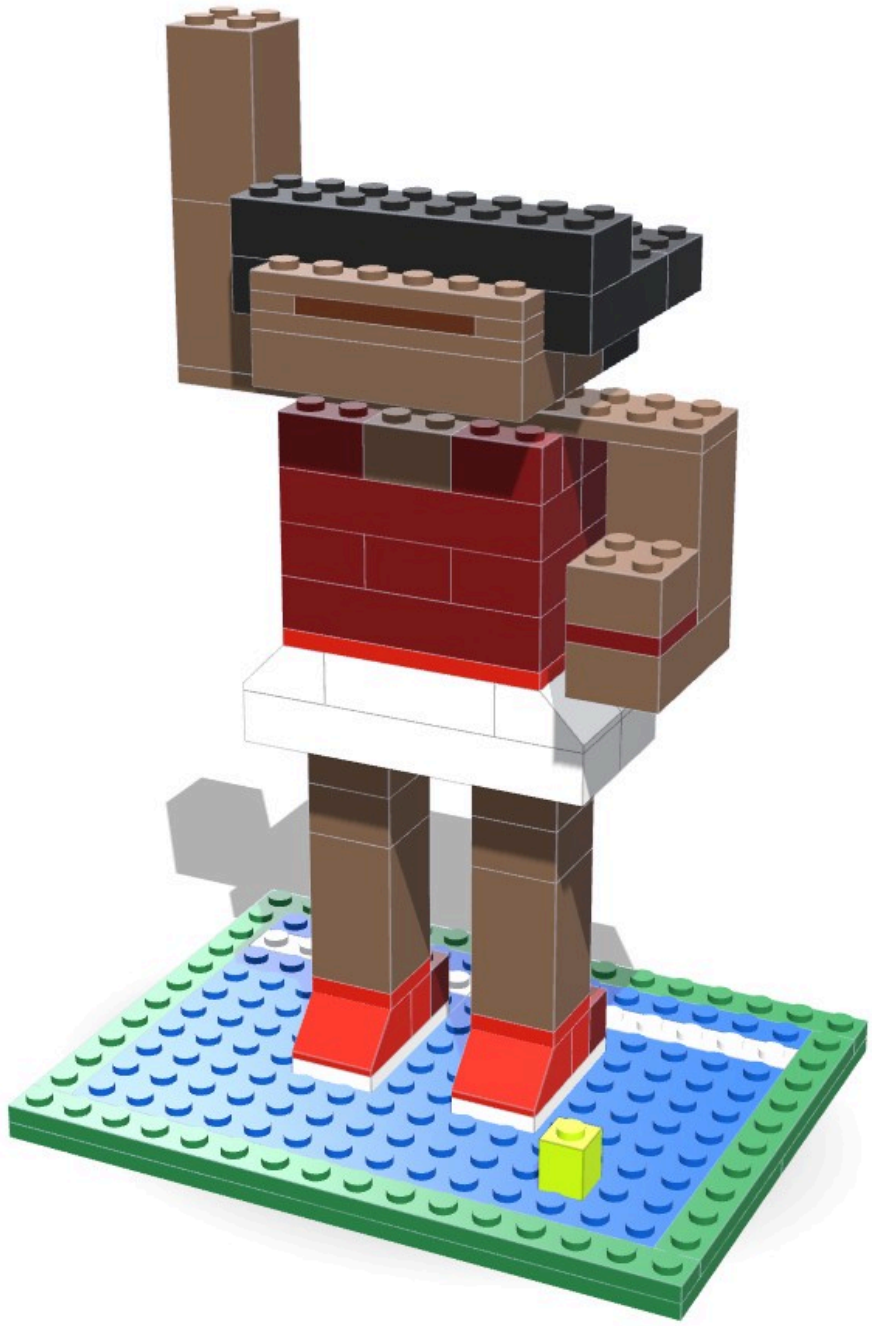

STEP

8

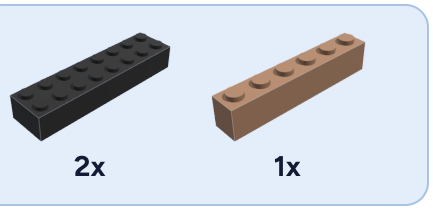

Chin and mouth

The head starts on the neck plate: the chin, then the mouth: three plates at the front, the middle one with a reddish brown 1×4 for her smile. Black at the back is her hair.

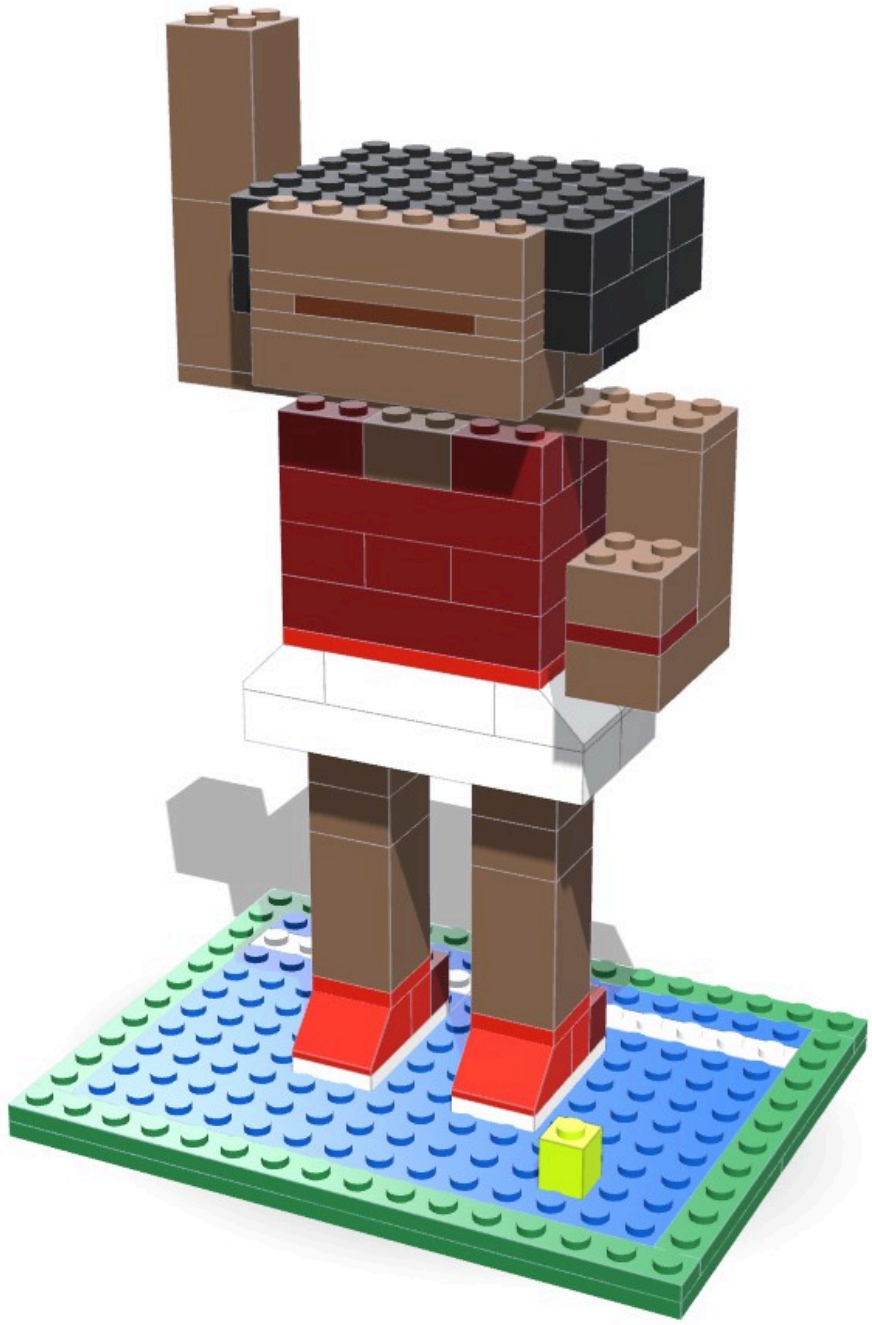

STEP

9

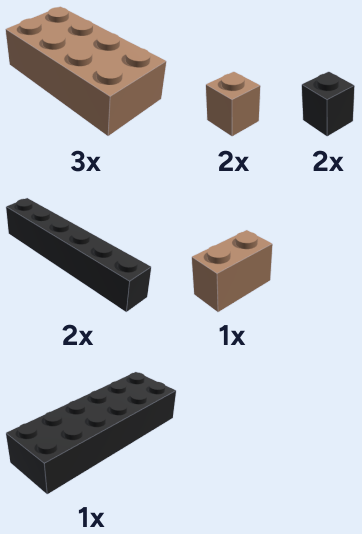

Cheeks

A skin 1×6 brick across the front for the cheeks. Black 2×8 bricks behind it tie the hair at the sides into the head.

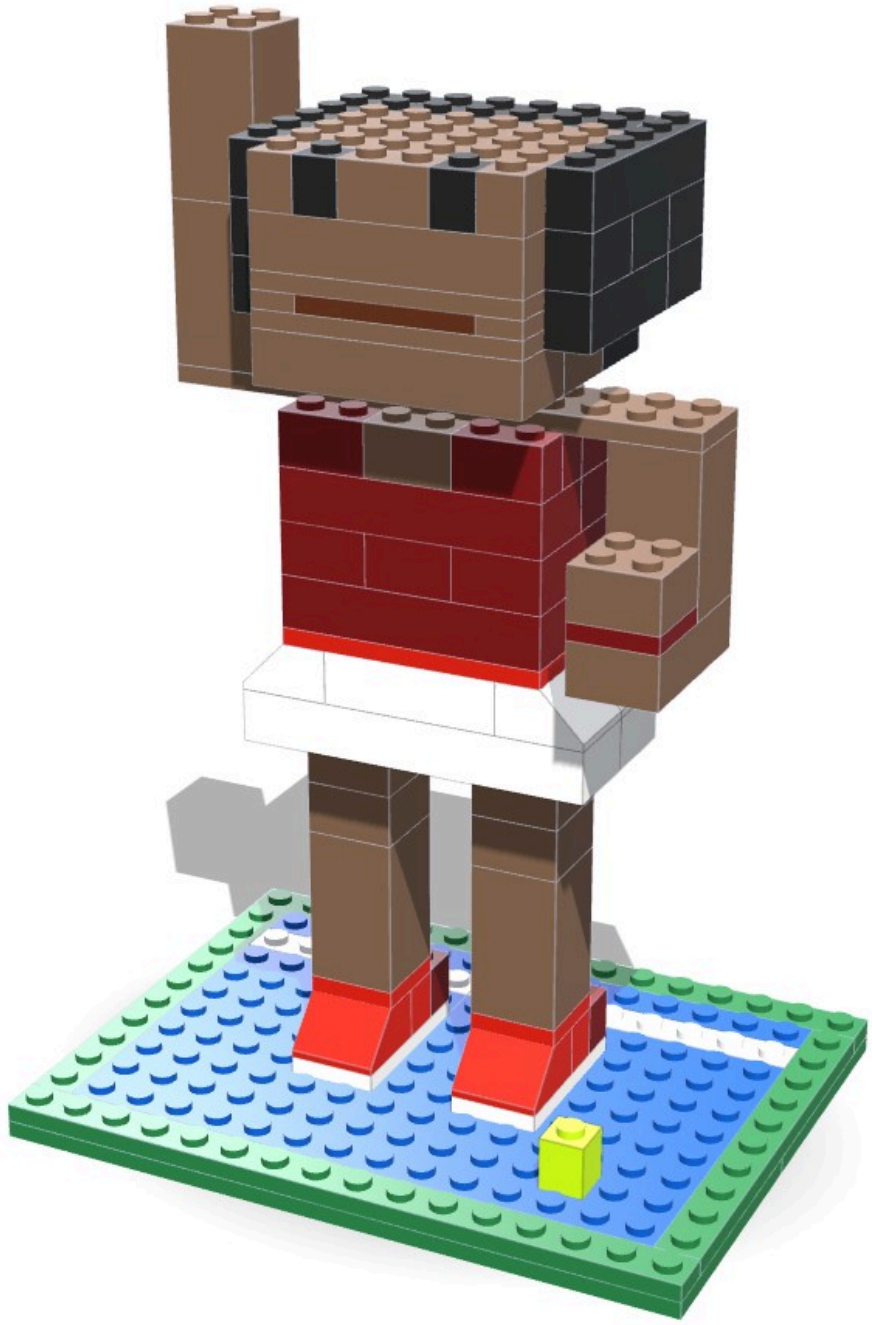

STEP

10

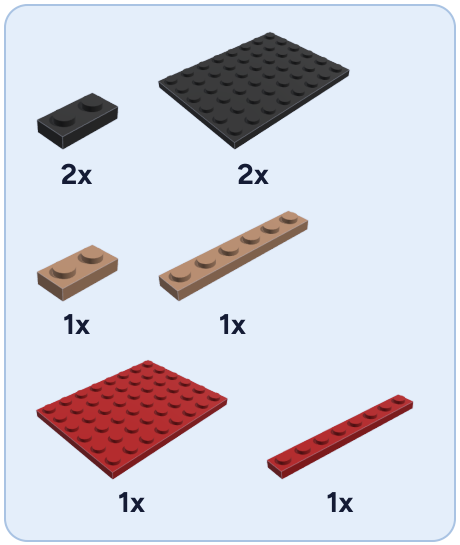

Eyes

Two black 1×1 bricks for the eyes, with the nose bridge between them. Hair runs down both sides.

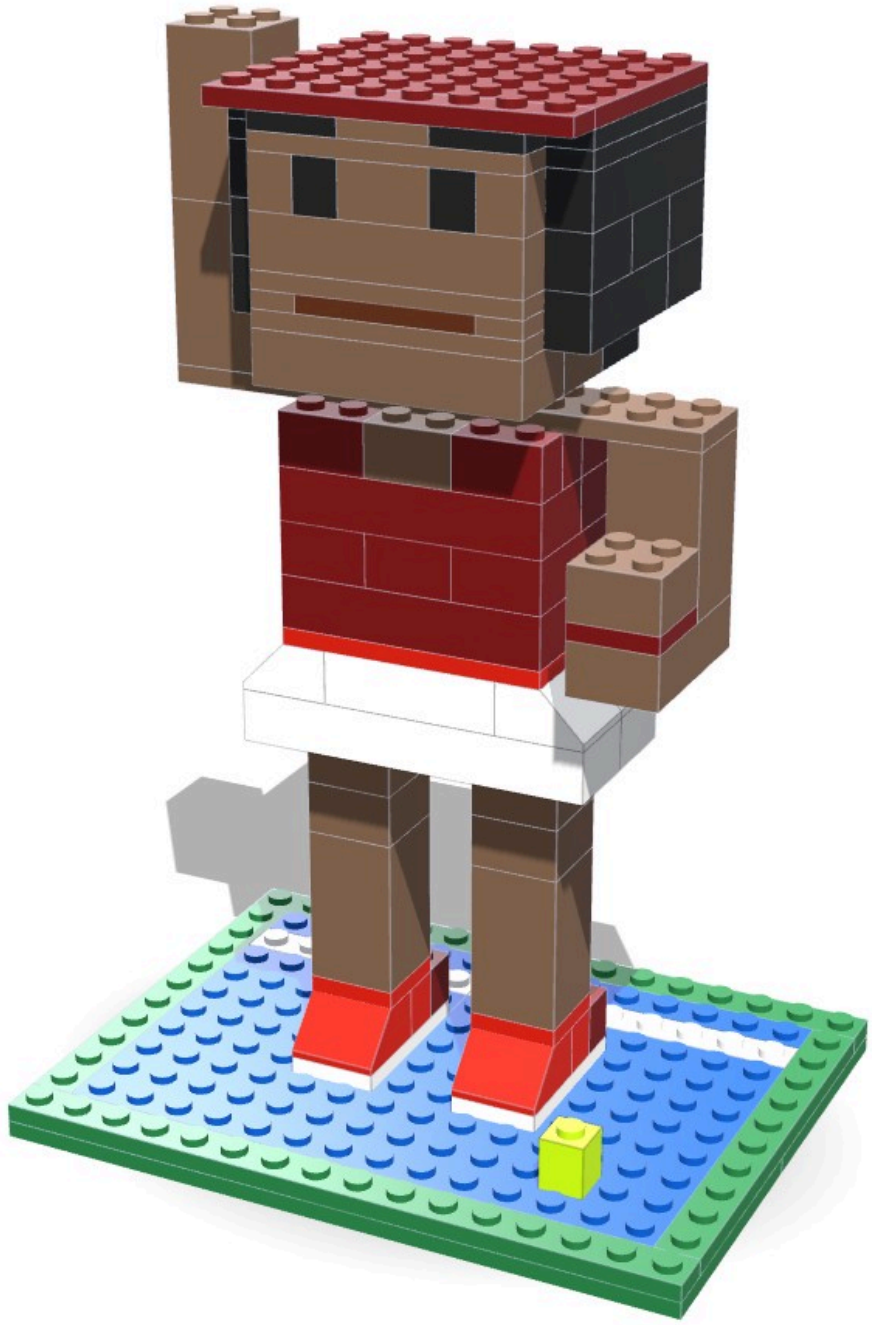

STEP

11

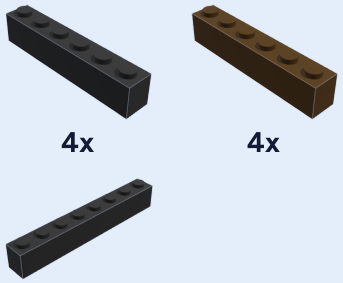

Brows and headband

One skin plate above the eyes, black 1×2 plates for the brows, then the dark red headband wraps the whole head.

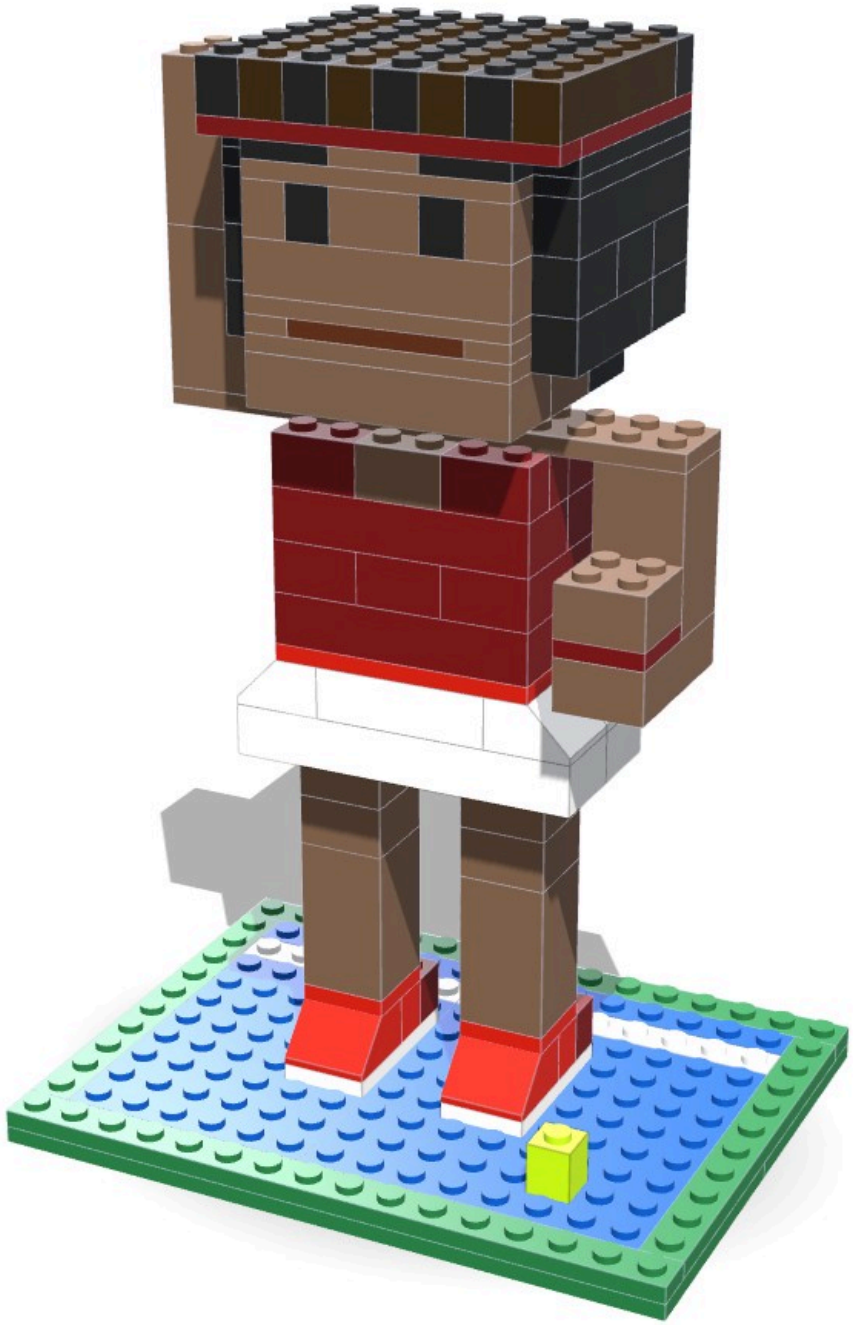

STEP

12

Braids

Her cornrows run from the headband back to the bun: 1×6 bricks front to back, black and dark brown in turn.

STEP

13

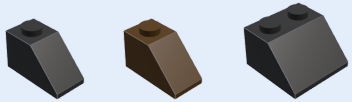

Top of the head

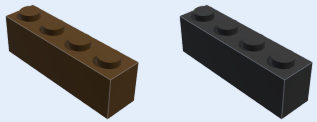

1×2 slopes round the hairline at the front, still in braid stripes; 1×3 bricks fill the middle.

STEP

14

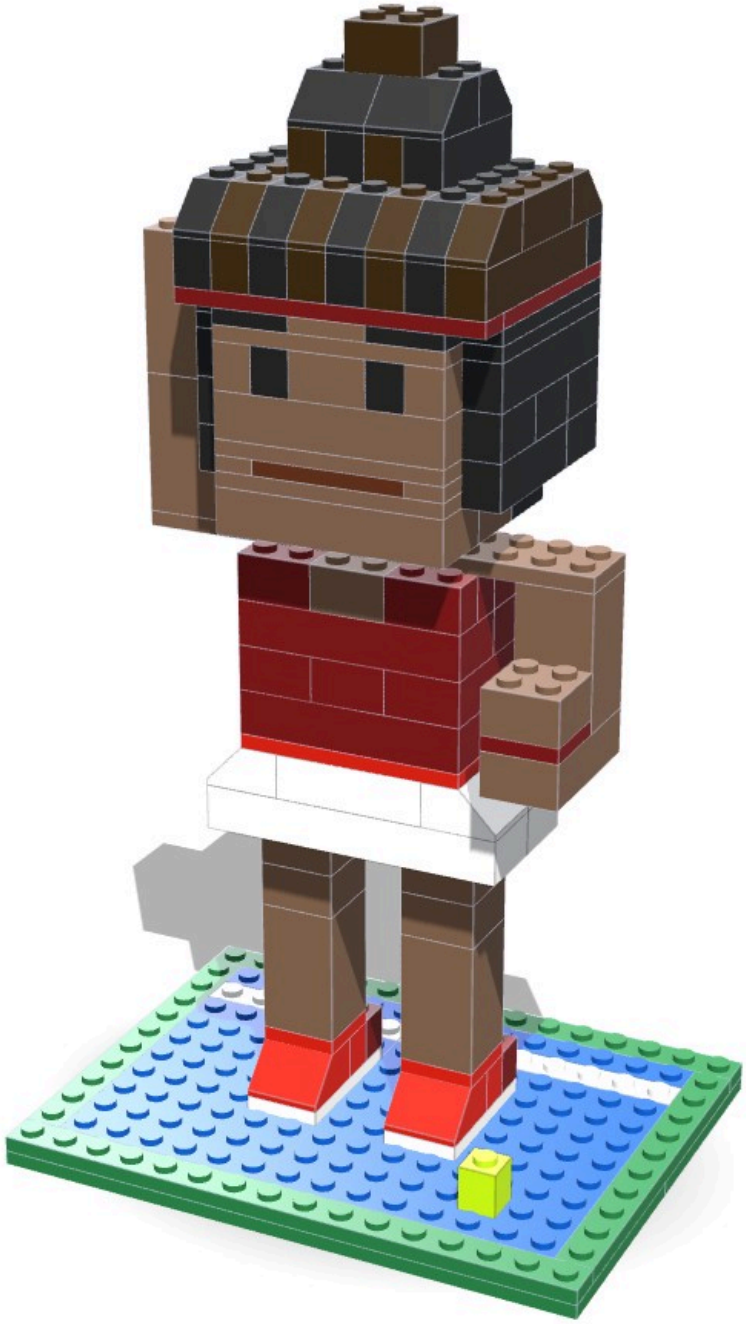

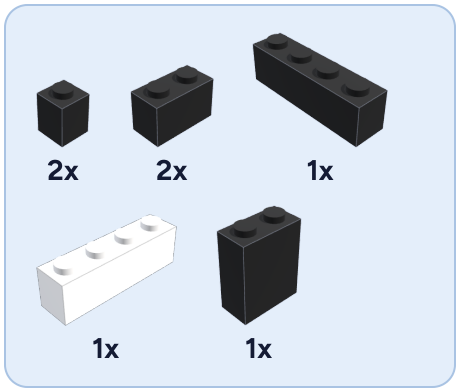

High bun

Slopes round the back of the head. Four 1×4 bricks make the bun, four 2×2 slopes round it off and a dark brown 2×2 brick tops it.

STEP

15

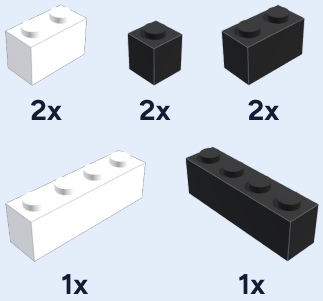

Racket grip

Two black 1×2 bricks on her hand make the grip; the frame starts with a 1×4 and its first row of white strings.

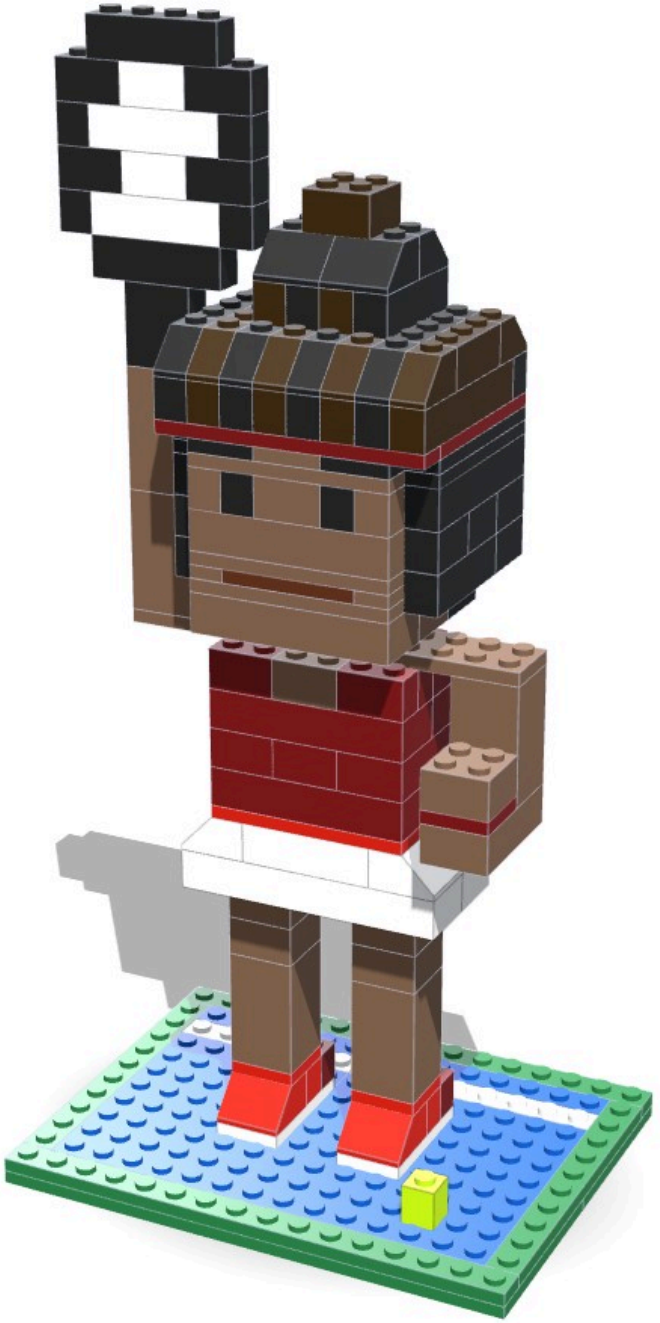

STEP

16

Racket head

Black frame bricks at the edges and white strings in the middle, the joints shifting each row so the head holds together. A black 1×4 closes the top.
