PASO

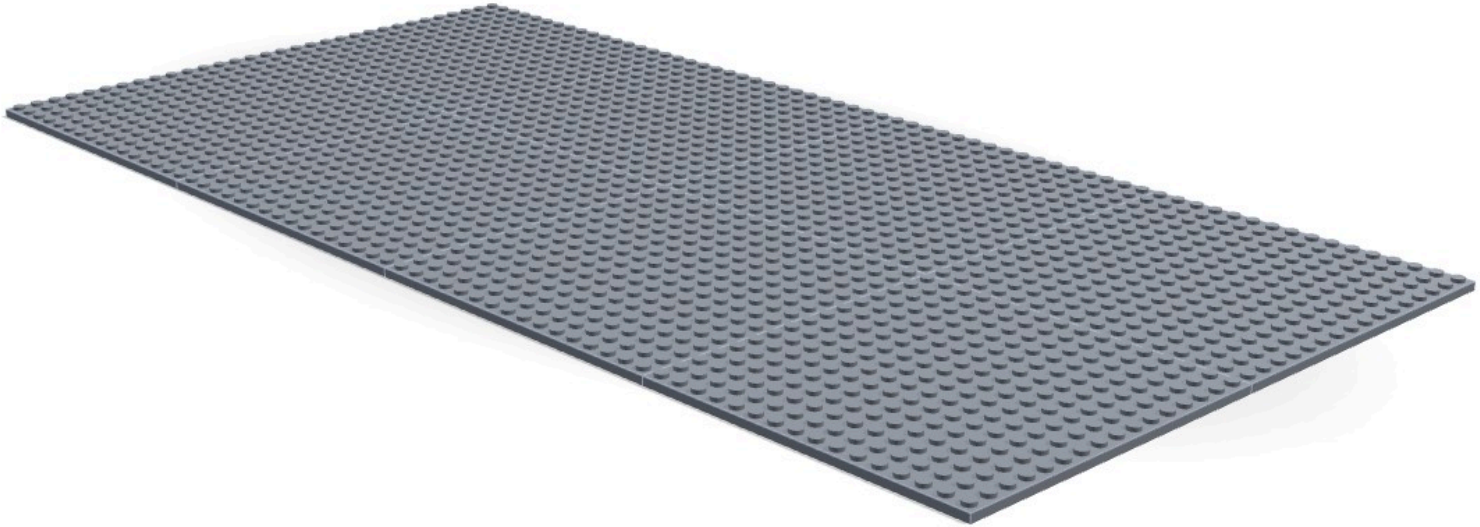

1

8x

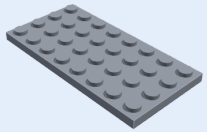

Base de exhibición, parte inferior

Coloca las placas grandes gris azulado oscuro una al lado de otra: cuatro filas, 32 × 64 espigas en total.

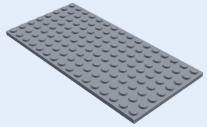

PASO

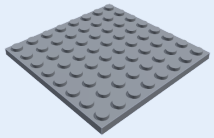

2

8x

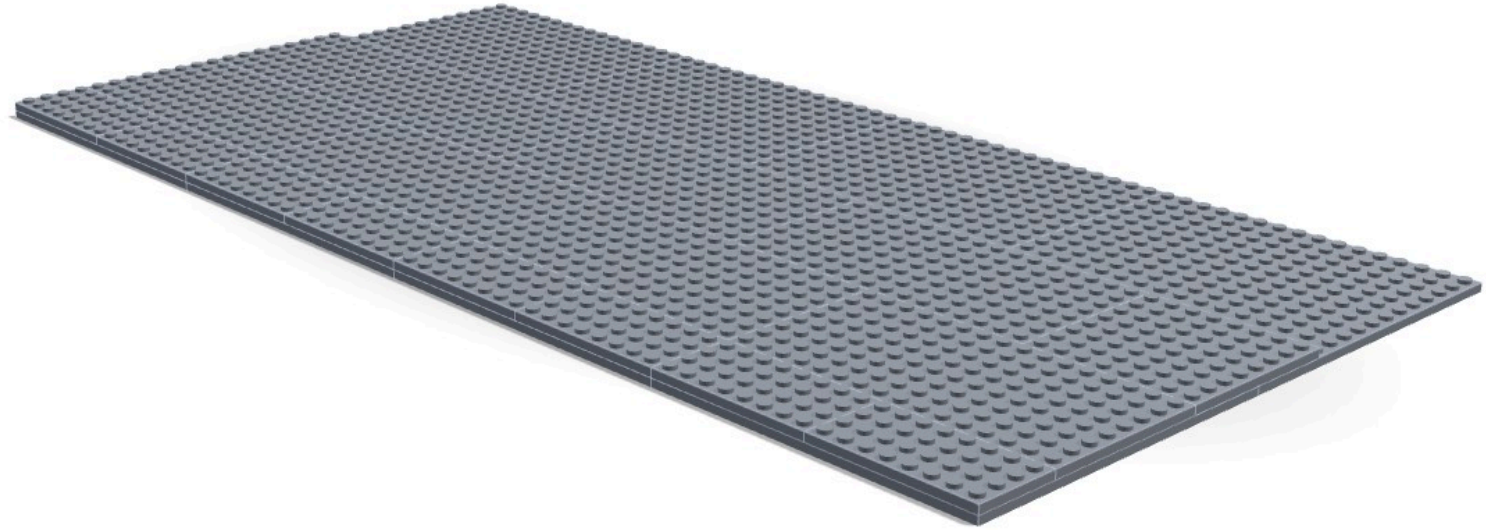

7x

2x

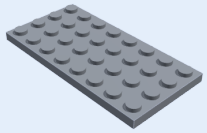

Base de exhibición, parte superior: mitad izquierda

Empieza la segunda capa de placas por la izquierda. Van en la otra dirección y quedan desplazadas, para que ninguna junta caiga sobre una junta de abajo.

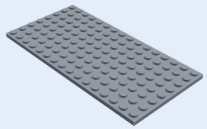

PASO

3

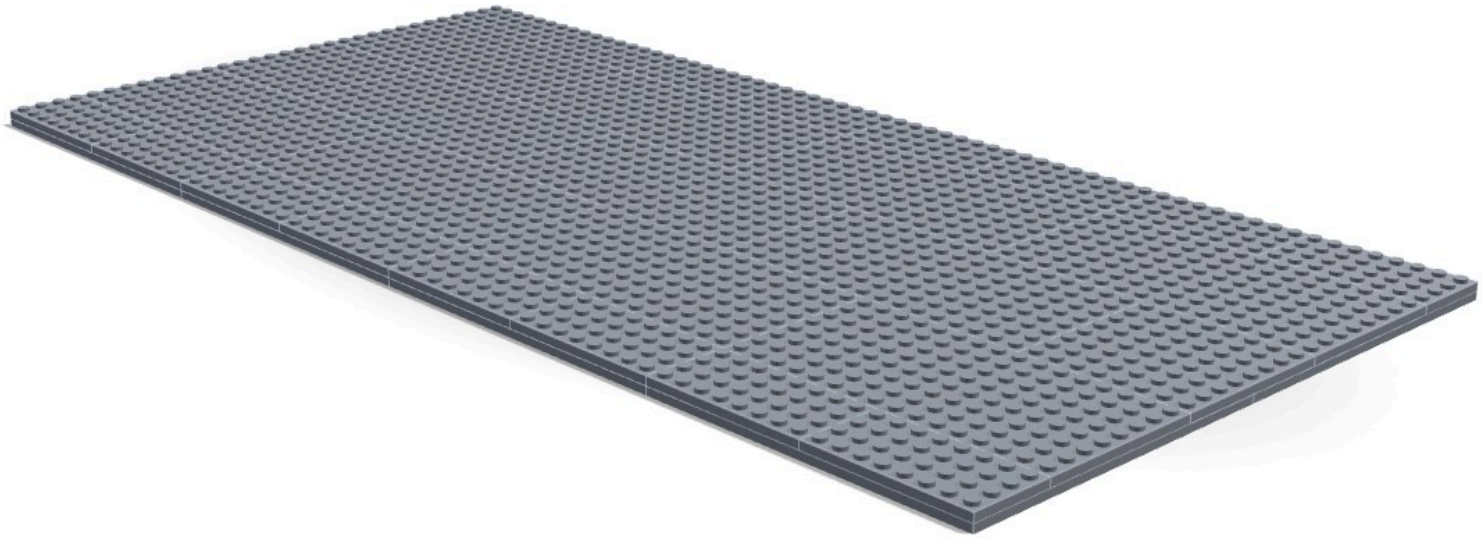

8x

4x

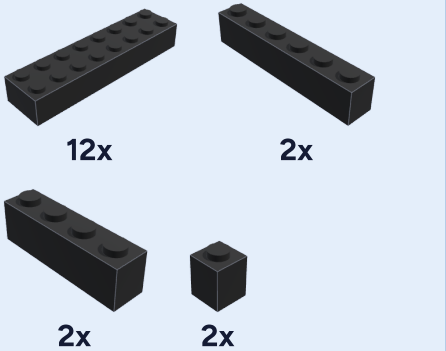

Base de exhibición, parte superior: mitad derecha

Termina la segunda capa por la derecha. ¡Ahora la base es una sola pieza firme!
