Um modelo de fã não oficial. Todas as peças são padrão; qualquer cor parecida serve. Cada pino foi conferido. LEGO é uma marca registrada do Grupo LEGO, que não patrocina este site.

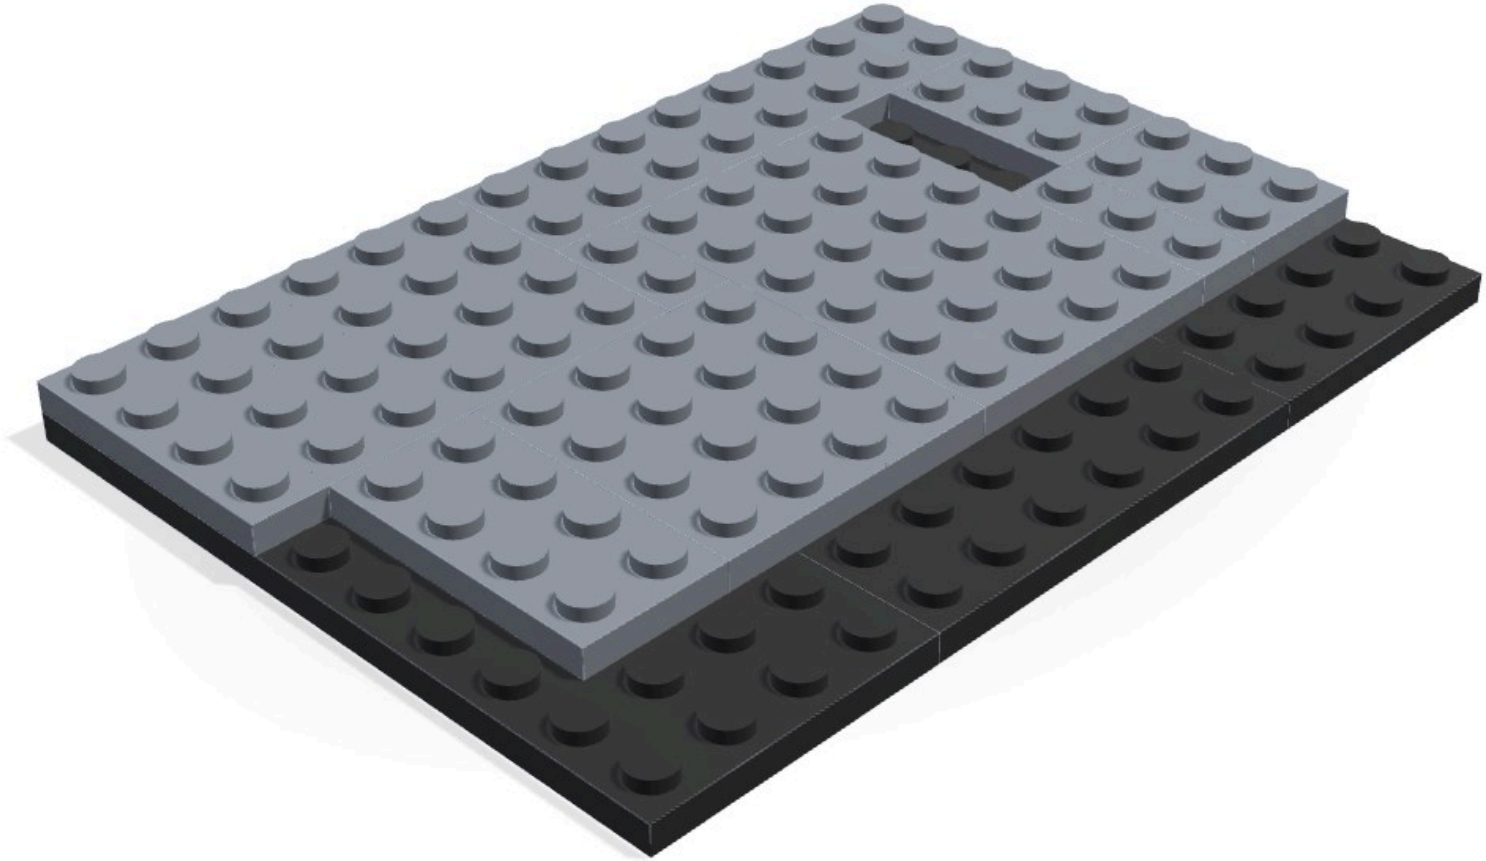

PASSO

1

Base da estrada

Coloque as três placas pretas lado a lado e depois cubra-as com placas de asfalto cinza-azulado escuro. As frestas que você deixar são as rachaduras: o preto aparece por baixo.

PASSO

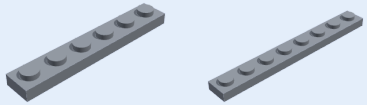

2

2x
1×2

1x
1×1

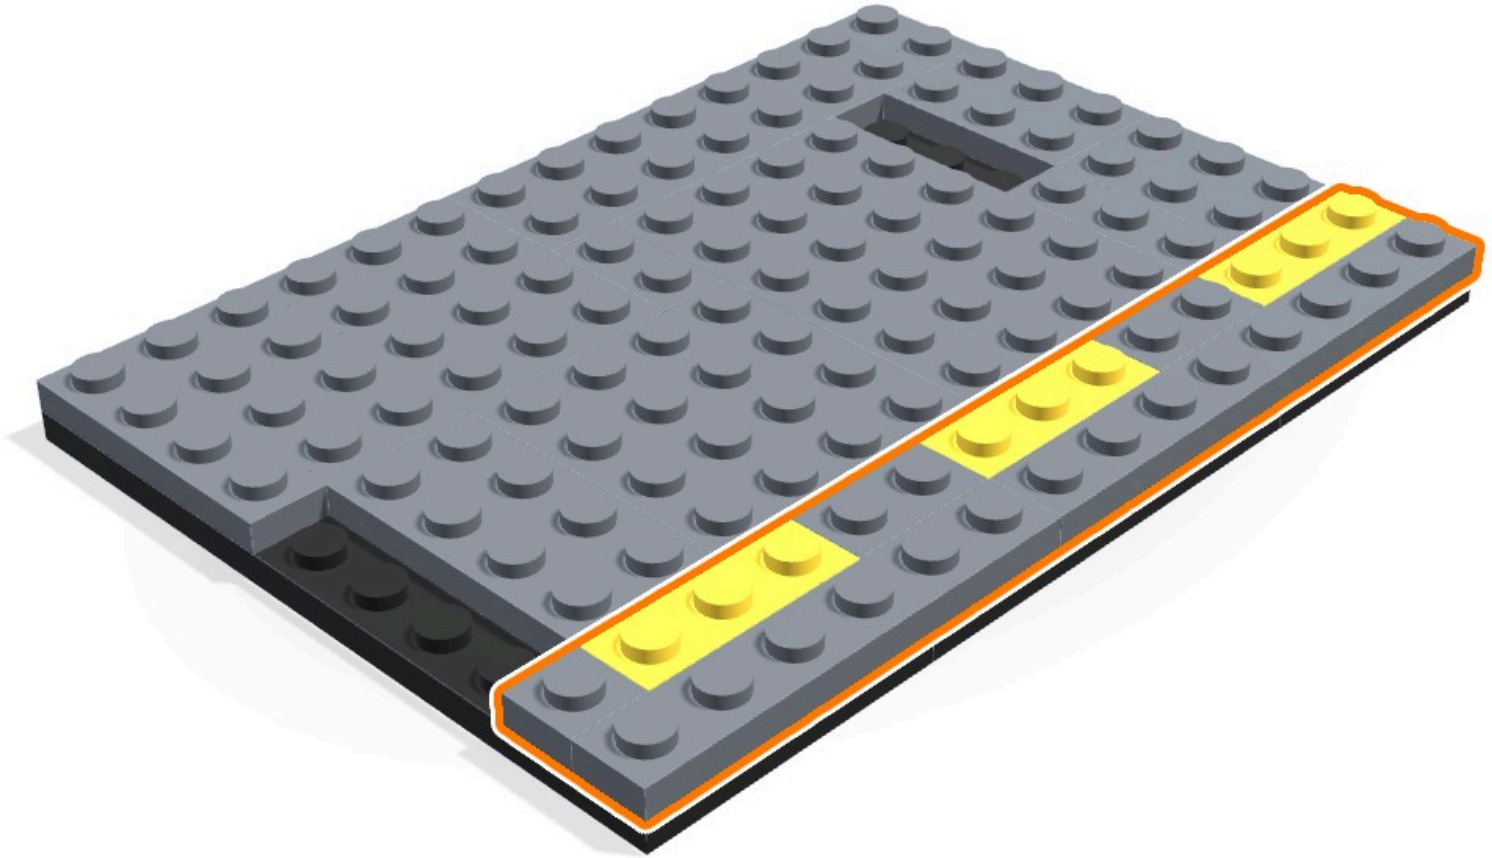

1x
1×6

1x
1×8

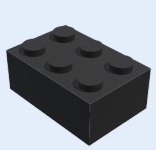

Linha da estrada

A linha central amarela atravessa a frente em três traços, com asfalto entre eles e uma faixa ao longo da borda frontal.

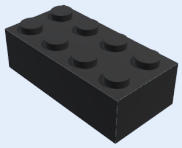

PASSO

3

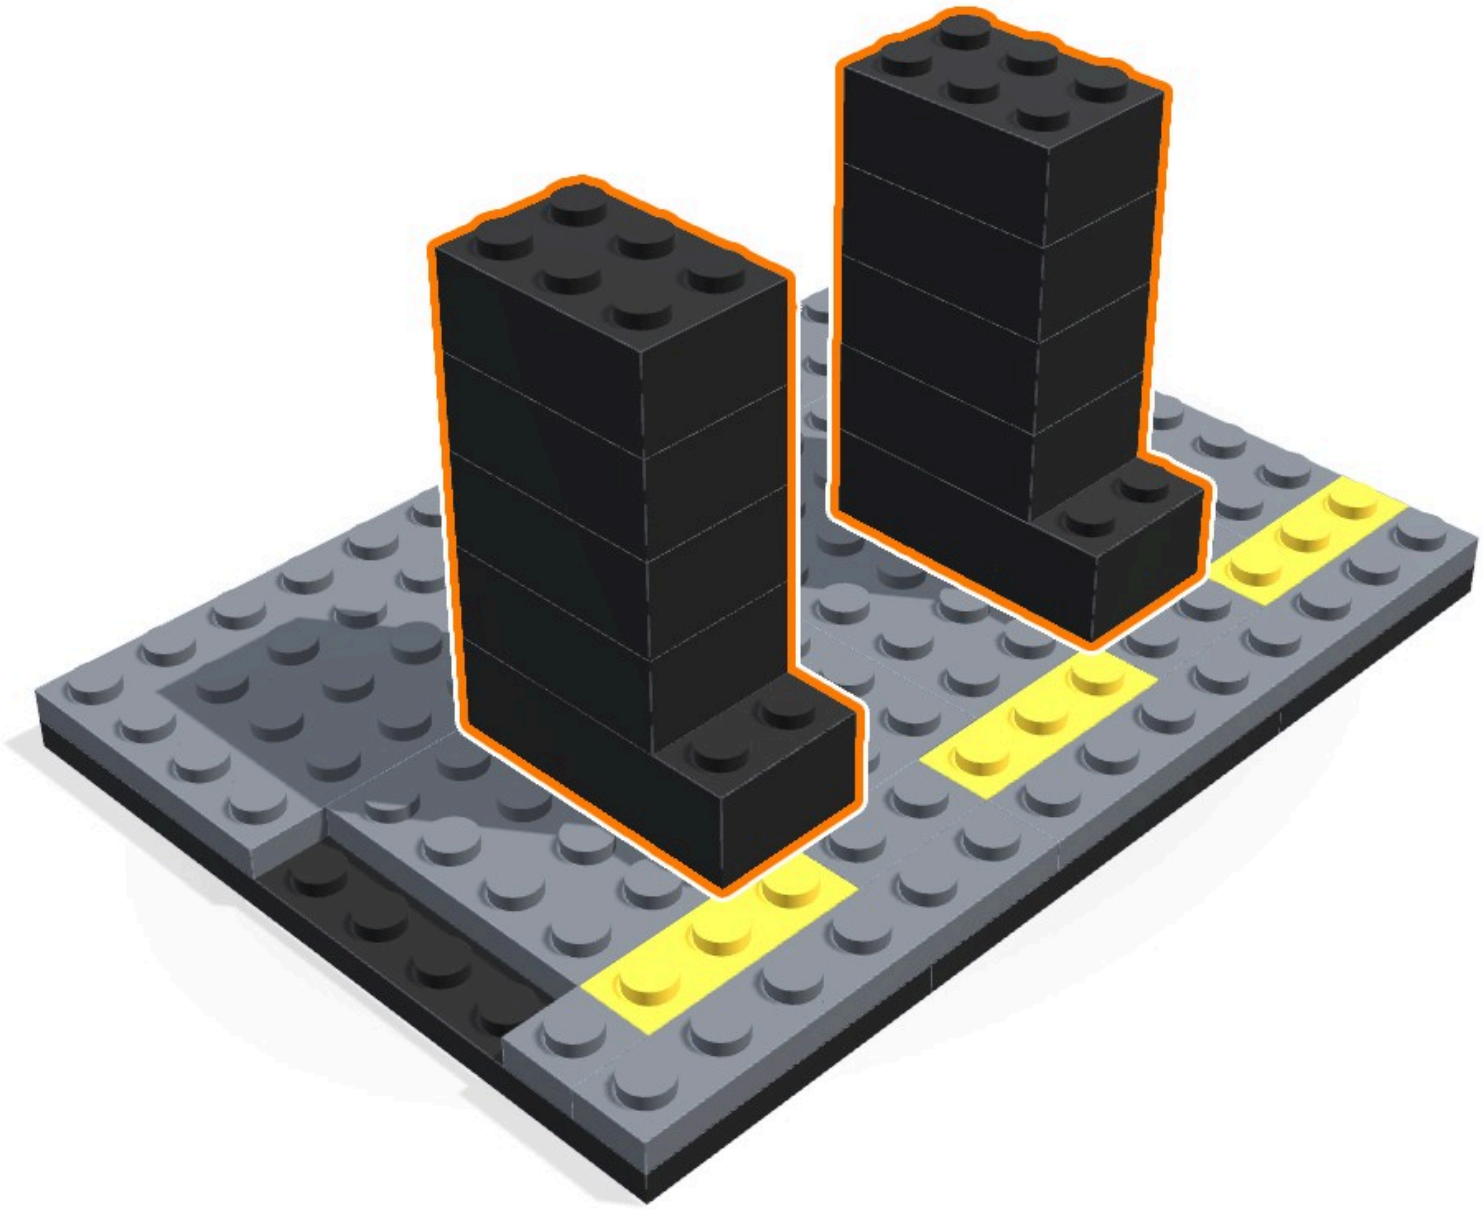

8x
2×3

2x
2×4

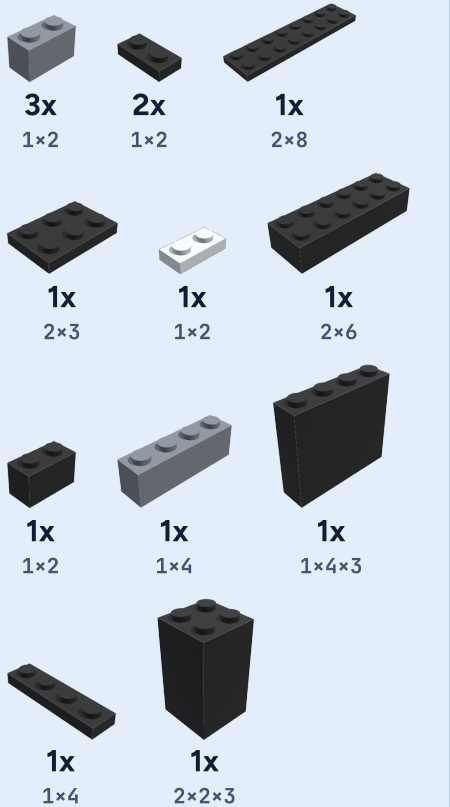

Botas e pernas

Duas botas pretas 2×4, com as pontas voltadas para a frente, e as pernas por cima: quatro blocos 2×3 em cada uma, com os pés firmes na largura dos ombros.

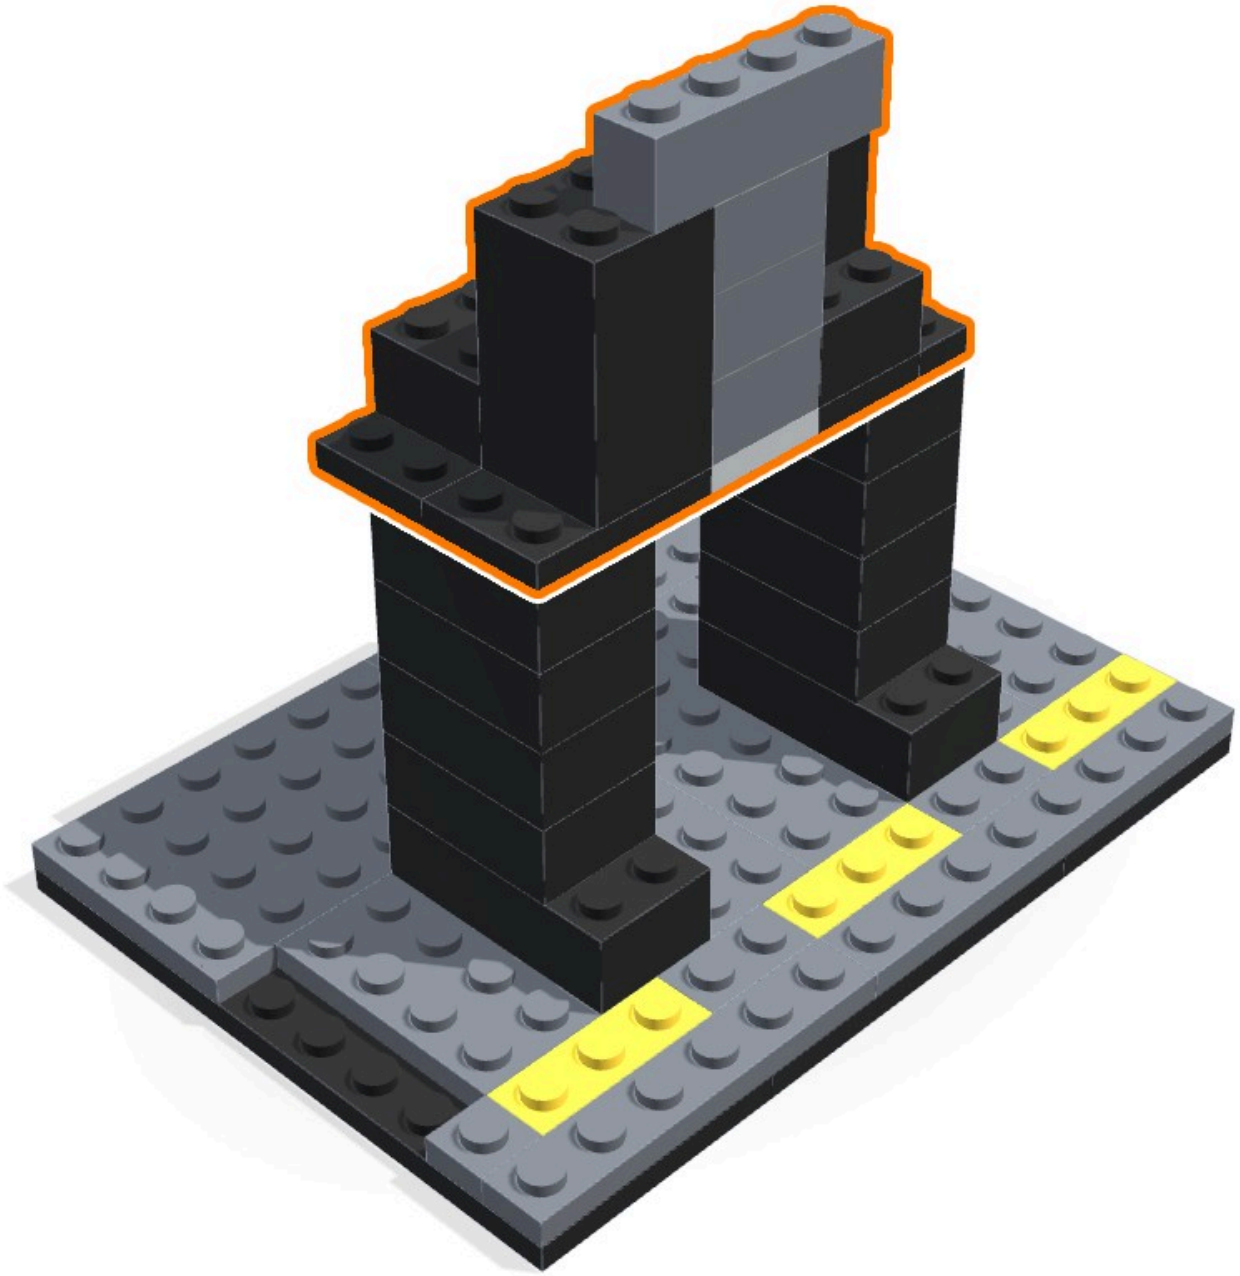

PASSO

4

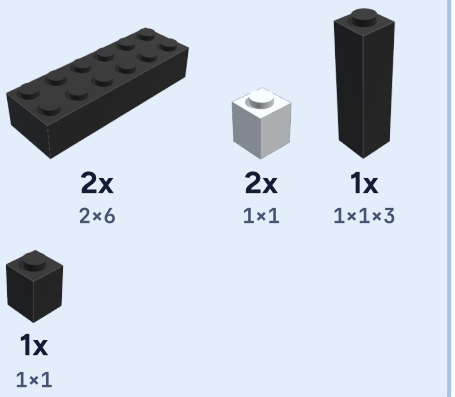

Quadril e cinto

Uma placa de cinto preta une as pernas, com a fivela cinza-azulado claro na frente. A jaqueta começa por cima: preta, aberta sobre a camiseta cinza-escuro.

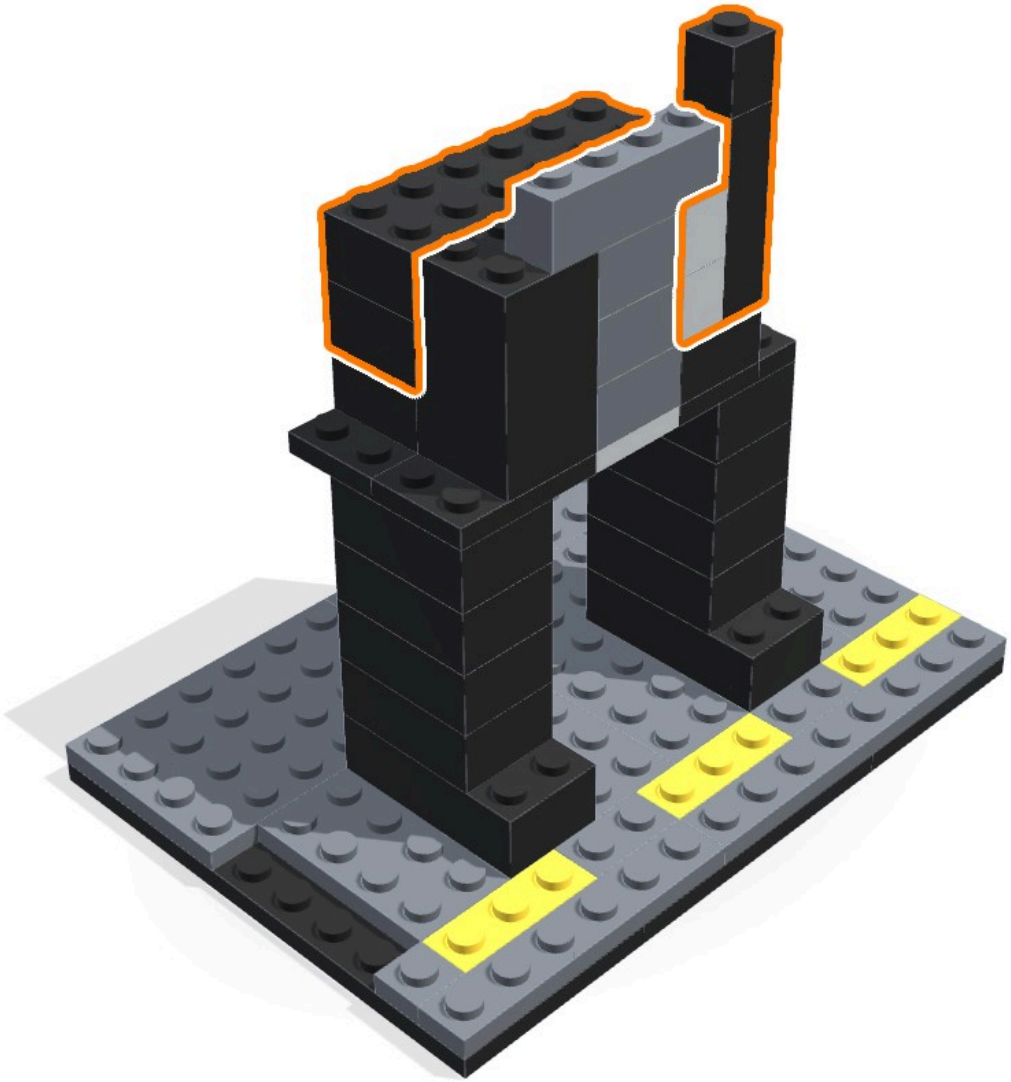

PASSO

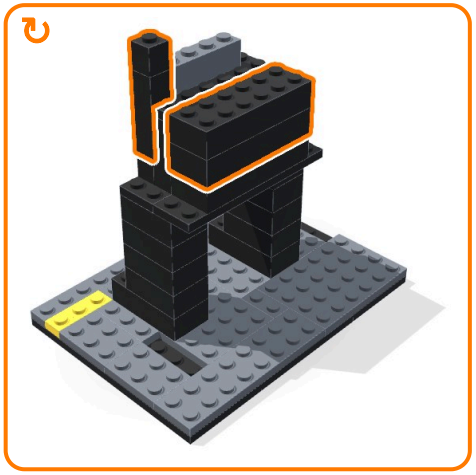

5

Jaqueta e zíper

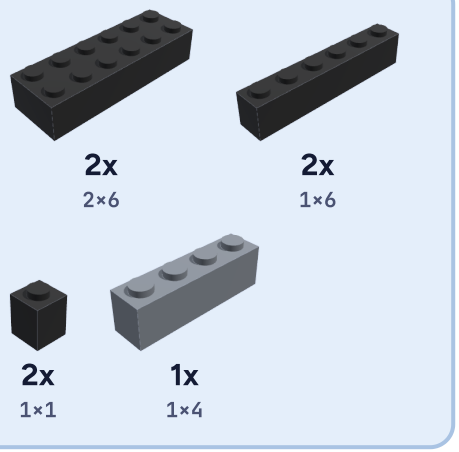

Mais duas camadas da jaqueta. O zíper prateado desce pela frente aberta, do lado esquerdo dele.

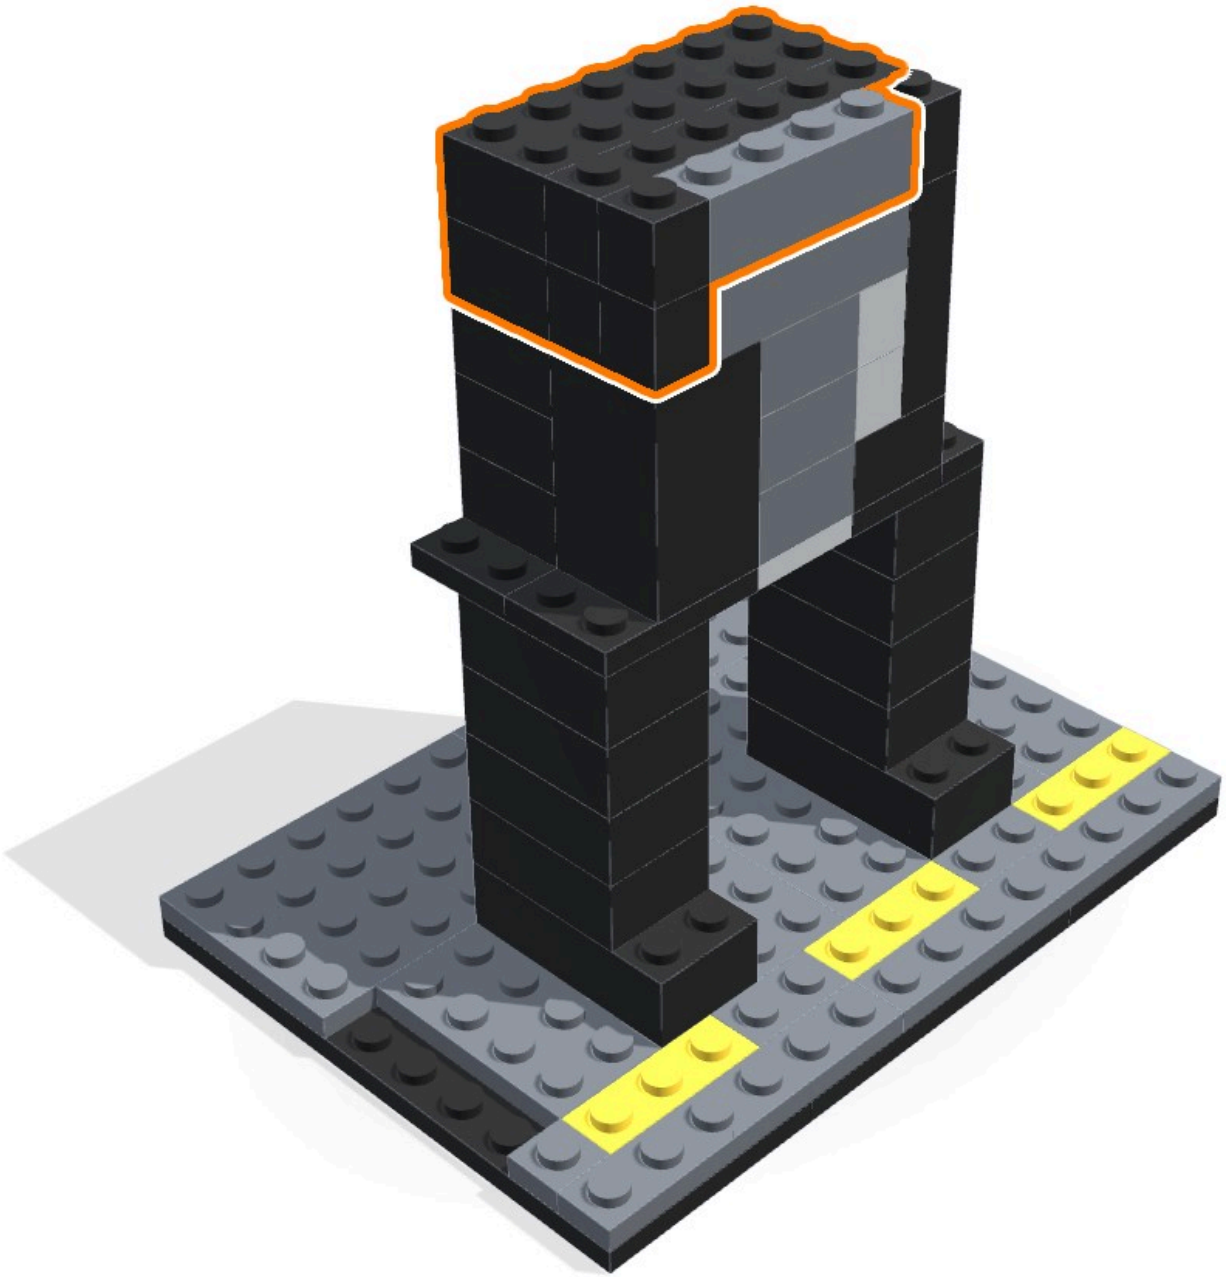

PASSO

6

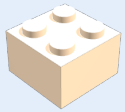

Peito

A jaqueta se abre mais em direção ao peito, para que mais da camiseta apareça.

2×2×3

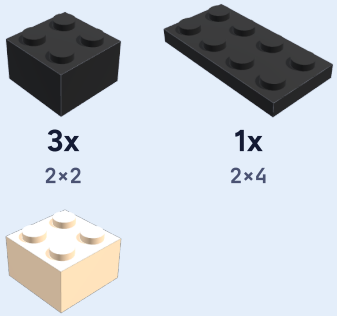

Braço esquerdo

O braço esquerdo cai relaxado: três blocos 2×2 pretos e uma mão bege-claro. Monte-o agora e prenda-o sob os ombros no próximo passo.

PASSO

2×2

1x
2×4

1x
2×2

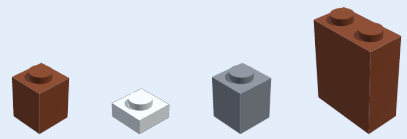

Braço direito e punho

O braço direito dobra no cotovelo. Uma placa 2×4 preta é o punho, e sob ela a mão fecha em volta da empunhadura da espingarda.

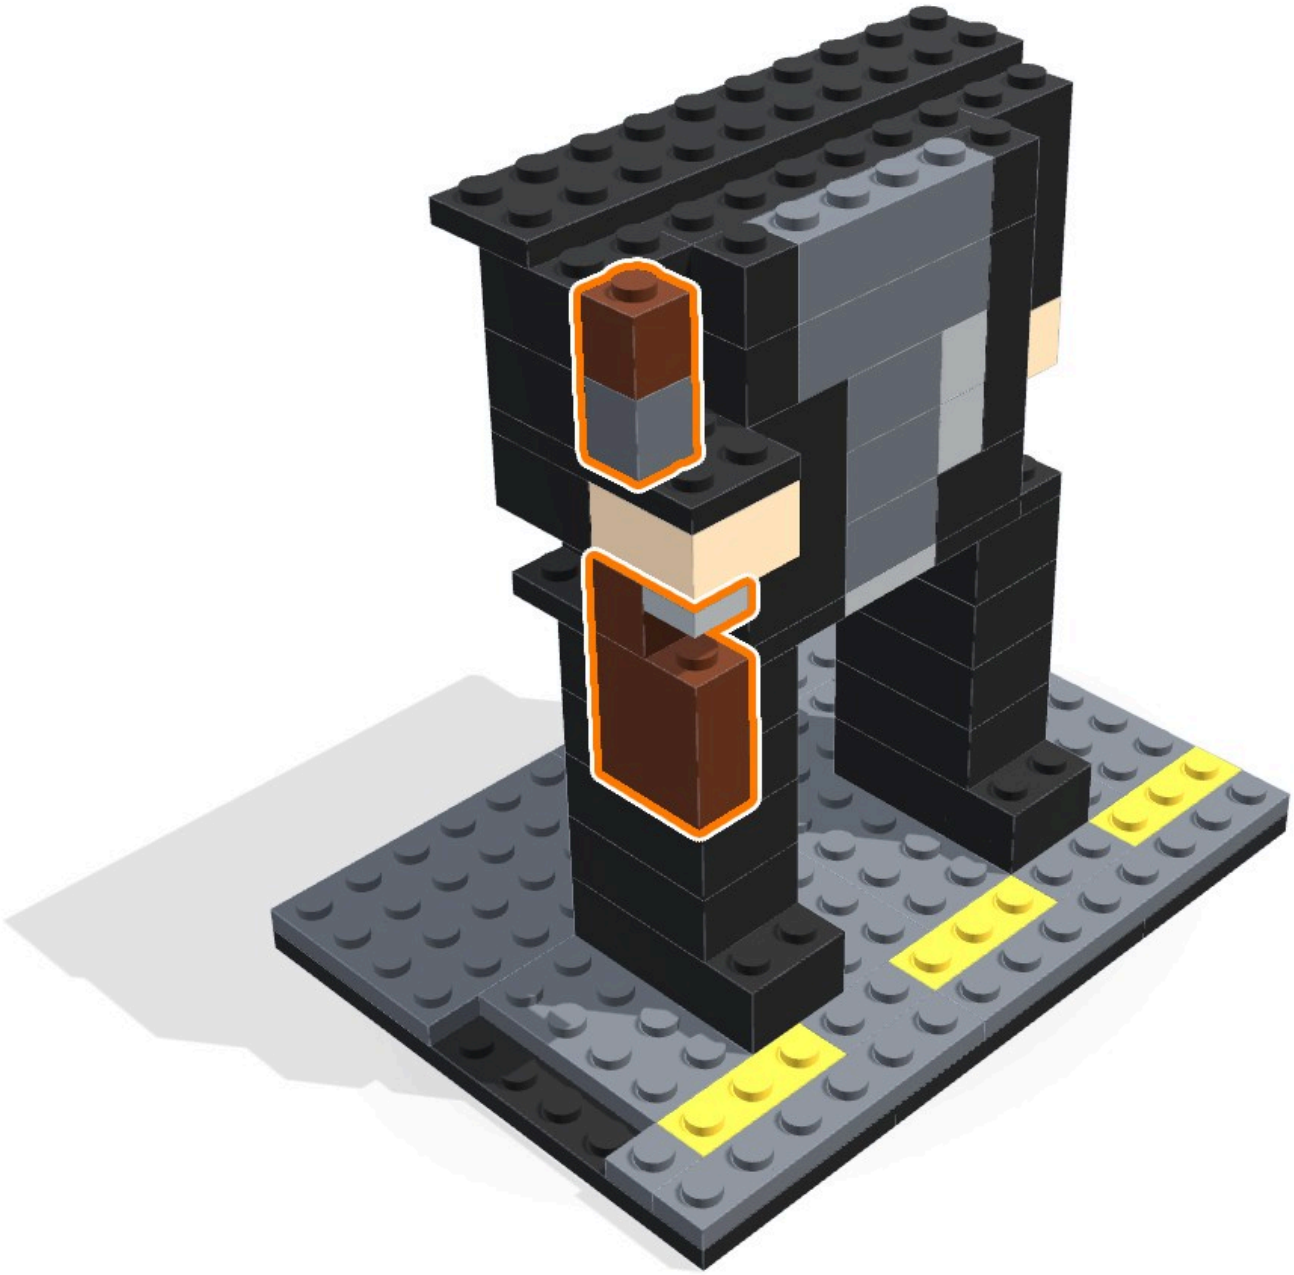

PASSO

9

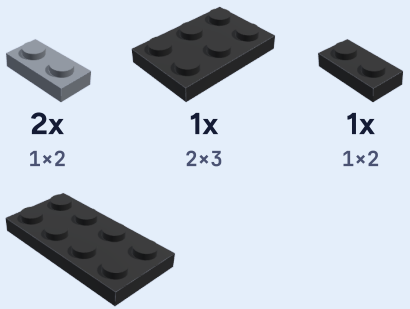

Coronha e receptor da espingarda

A coronha marrom-avermelhado fica pendurada sob a mão. Acima do punho vão o receptor de aço escuro e a empunhadura de madeira.

PASSO

10

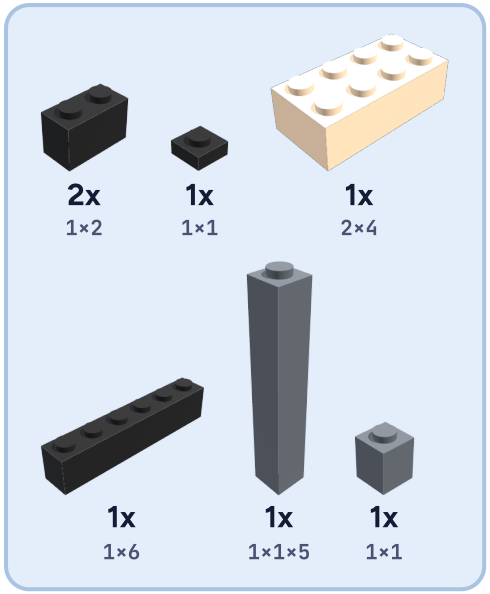

Ombros

Uma camada de placas sobre os dois ombros prende os braços e a jaqueta juntos. A peça 1×2 cinza-escuro no ombro direito é onde a espingarda repousa; a camiseta aparece na altura do decote.

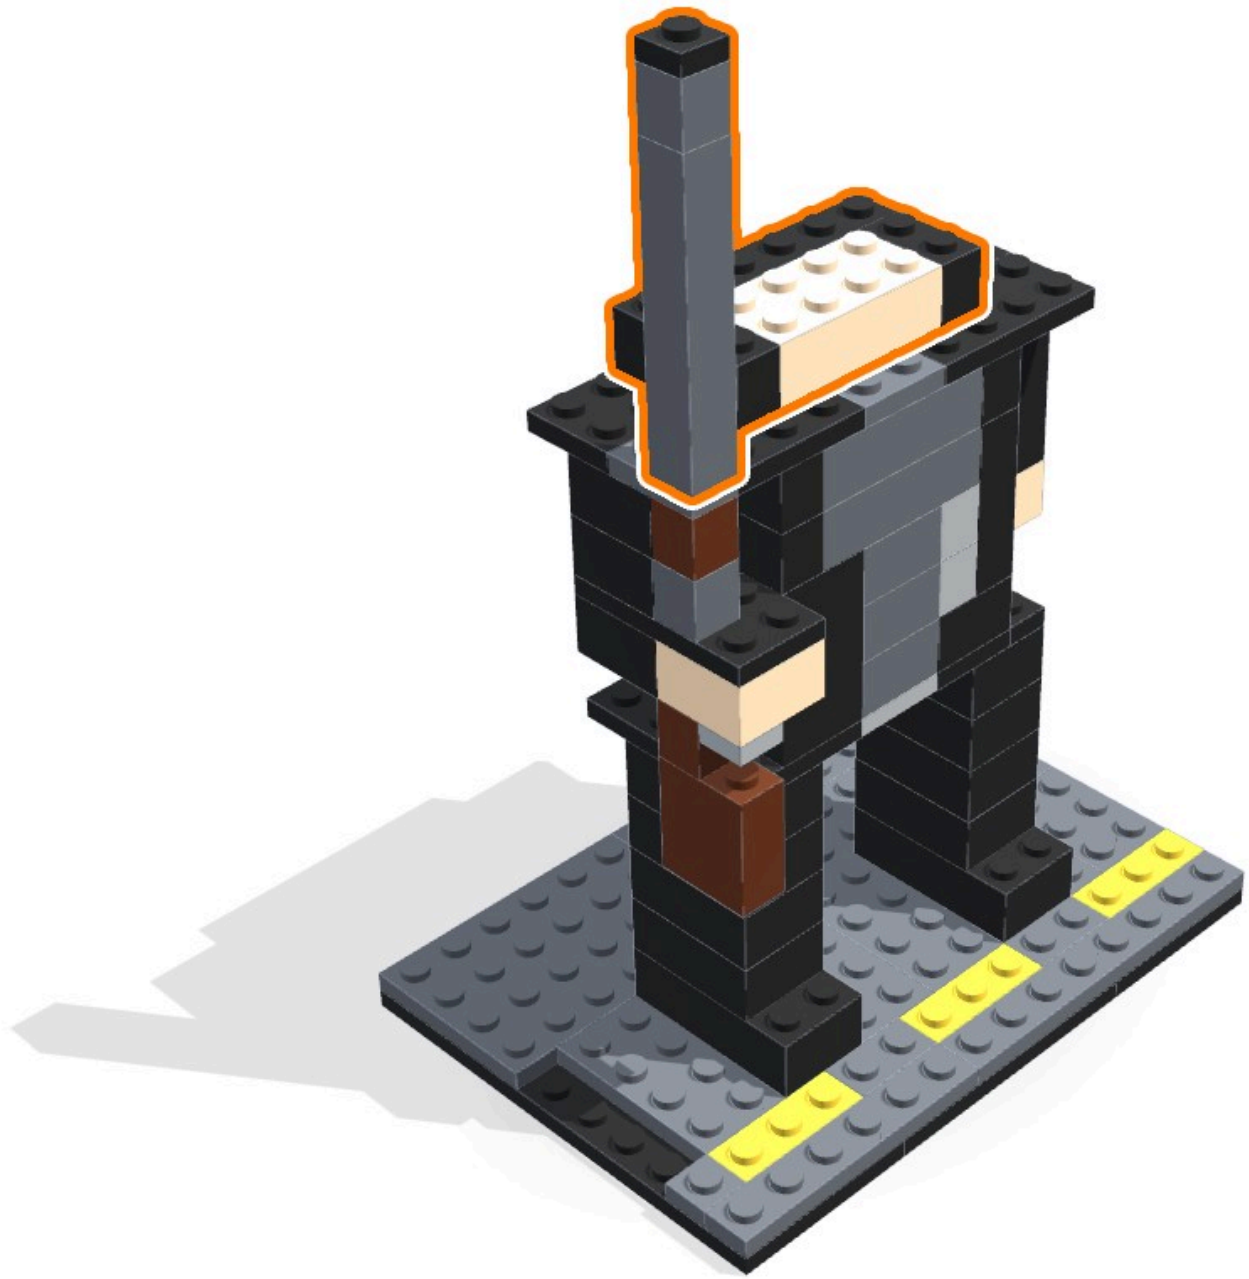

PASSO

11

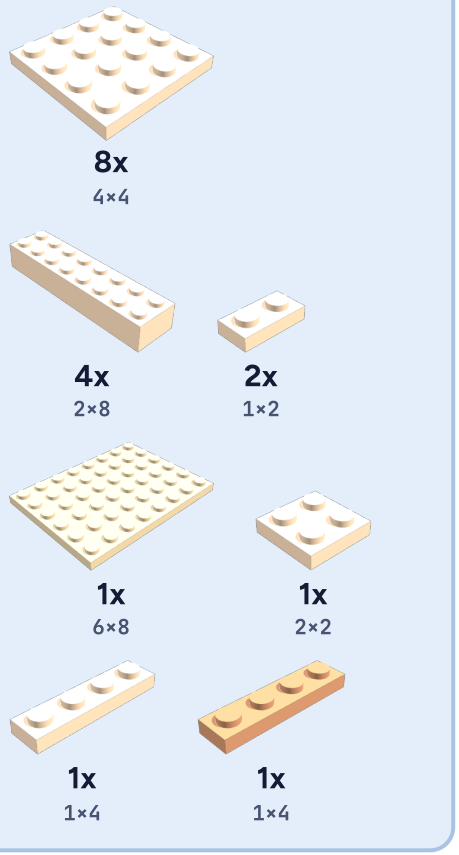

Cano, pescoço e gola

Seis blocos 1×1 cinza-azulado escuro formam o cano, em pé ao lado da cabeça. Depois, um pescoço bege-claro grosso e a gola preta da jaqueta ao redor dele.

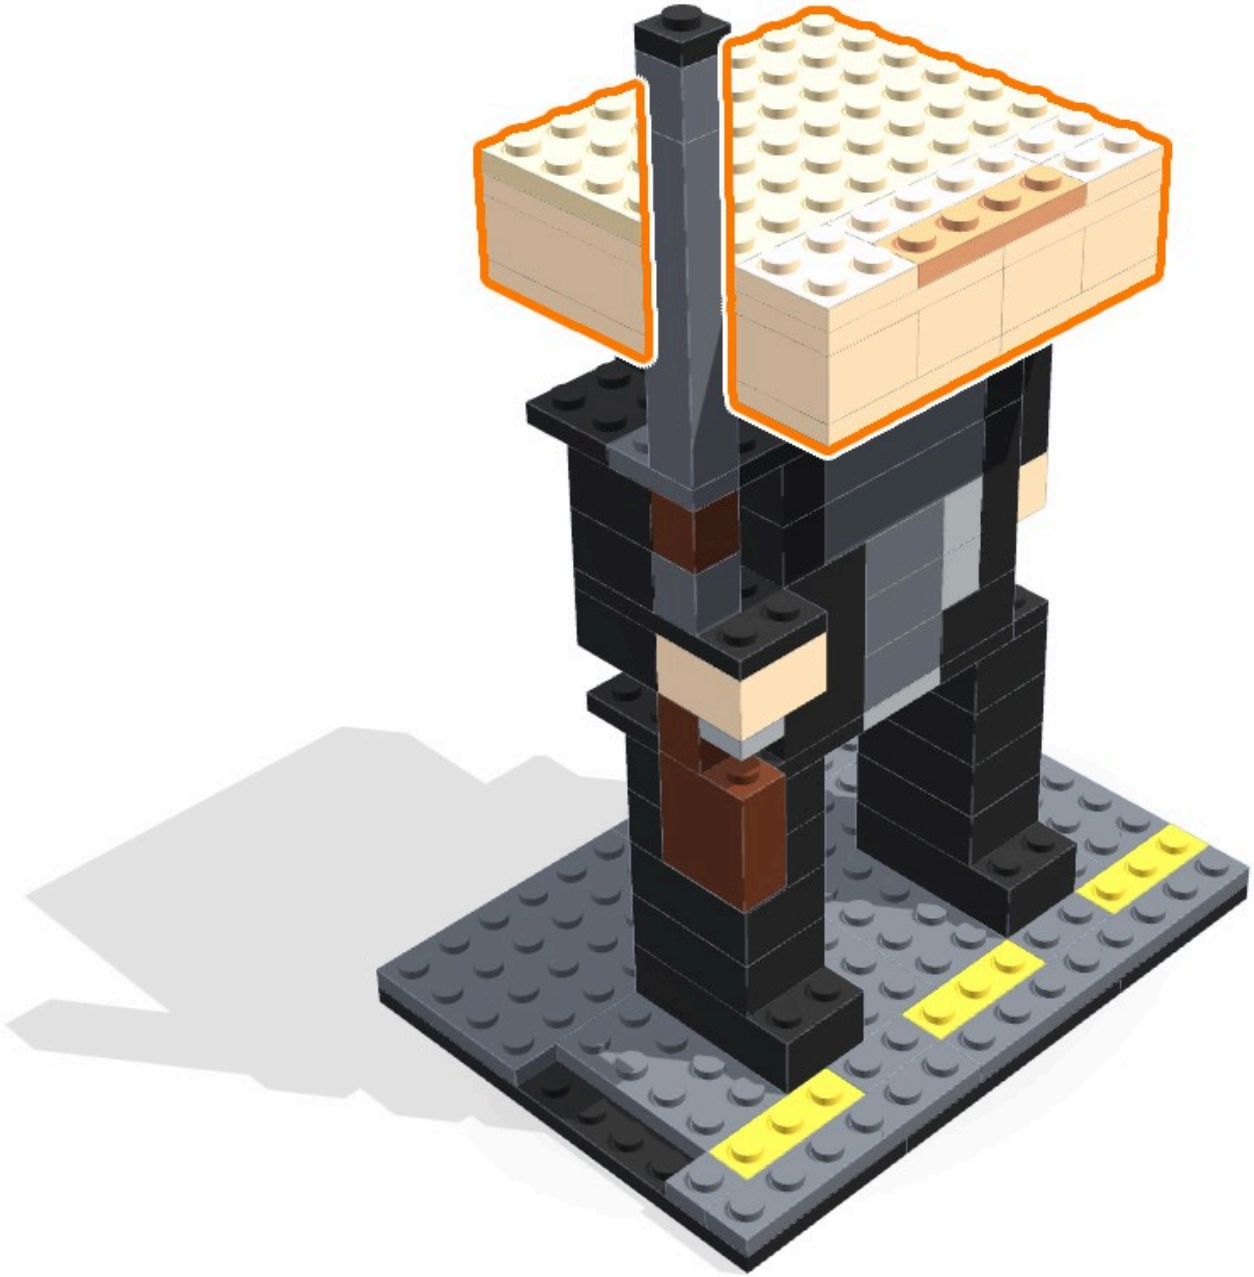

PASSO

12

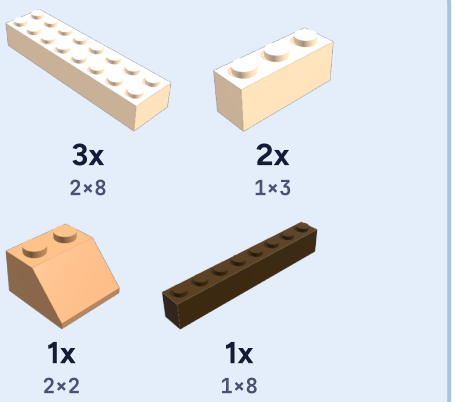

Queixo e boca

A cabeça é um grande bloco 8×8. Comece com uma placa bege-claro, o queixo quadrado, e um bloco 1×4 bege para a boca reta.

PASSO

13

Nariz e bochechas

Uma peça inclinada 2×2 bege forma o nariz: ela sai um pino para fora e inclina-se de volta até o rosto. Blocos bege-claro preenchem o resto da camada.

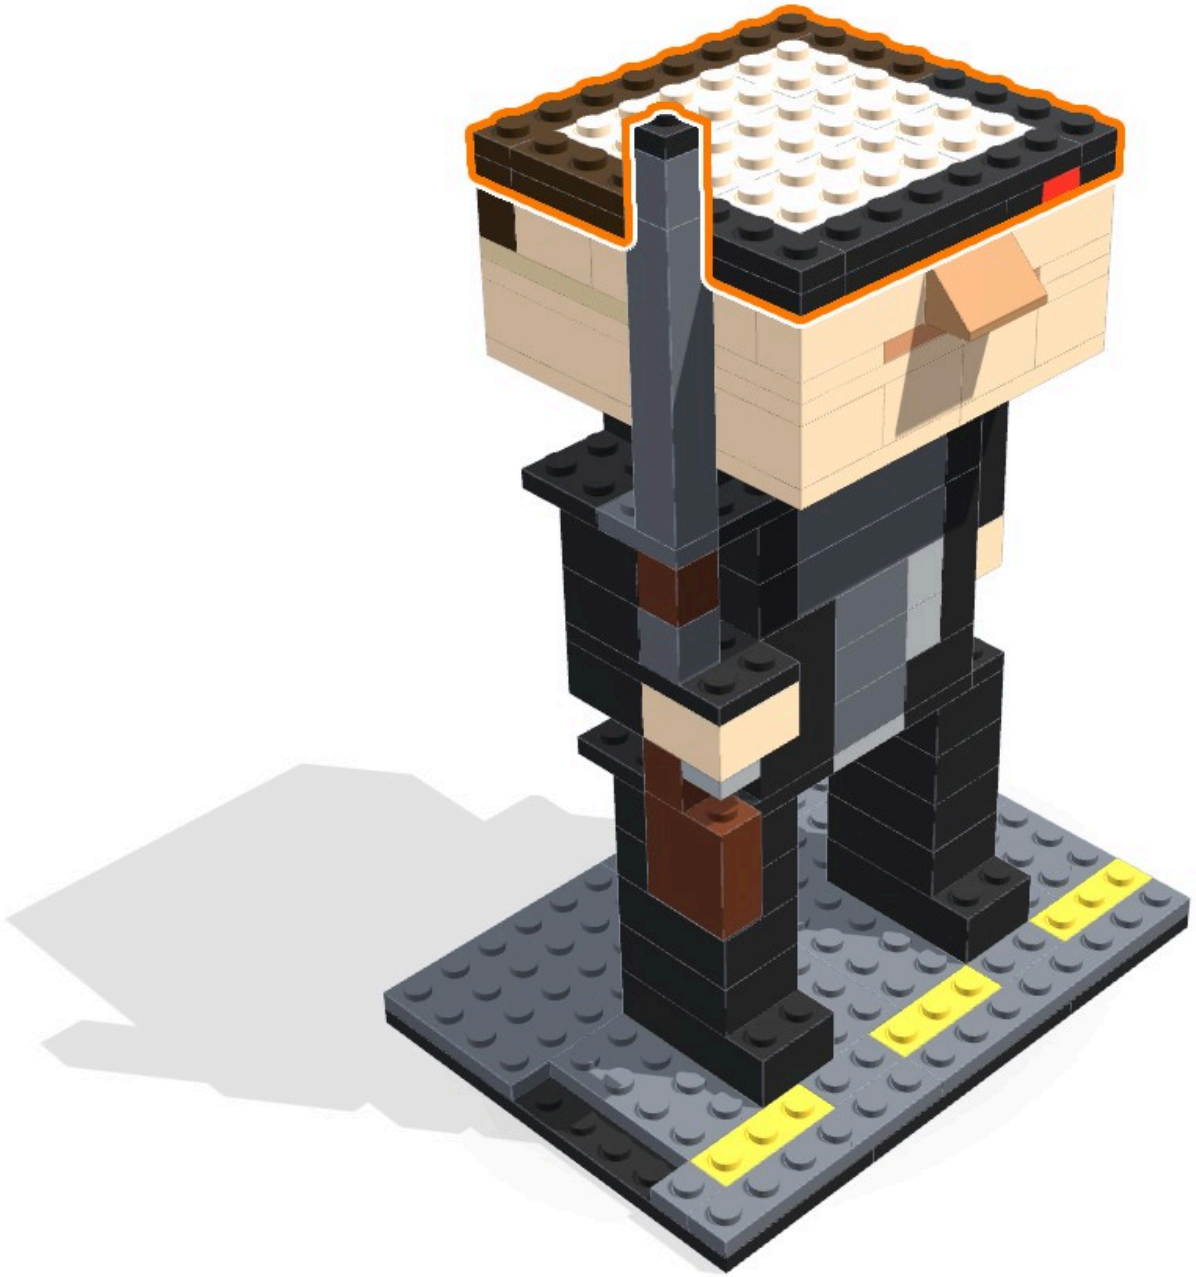

PASSO

14

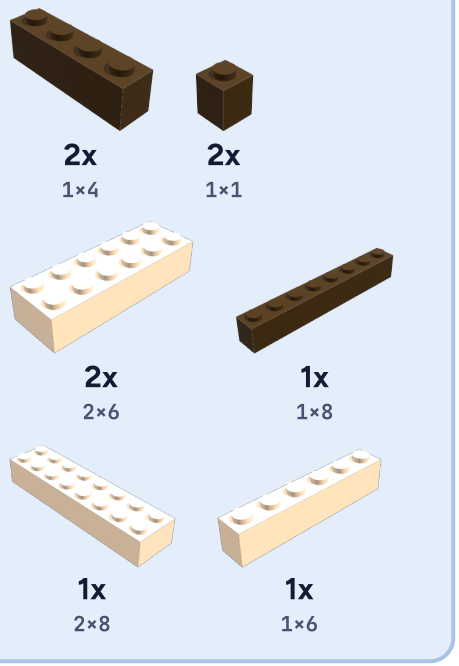

Óculos escuros

Duas placas pretas formam os óculos escuros finos e envolventes: atravessam o rosto e seguem para trás pelas duas têmporas. Uma peça 1×1 vermelho transparente fica na borda da lente esquerda dele. Ligue a luz noturna e ela brilha.

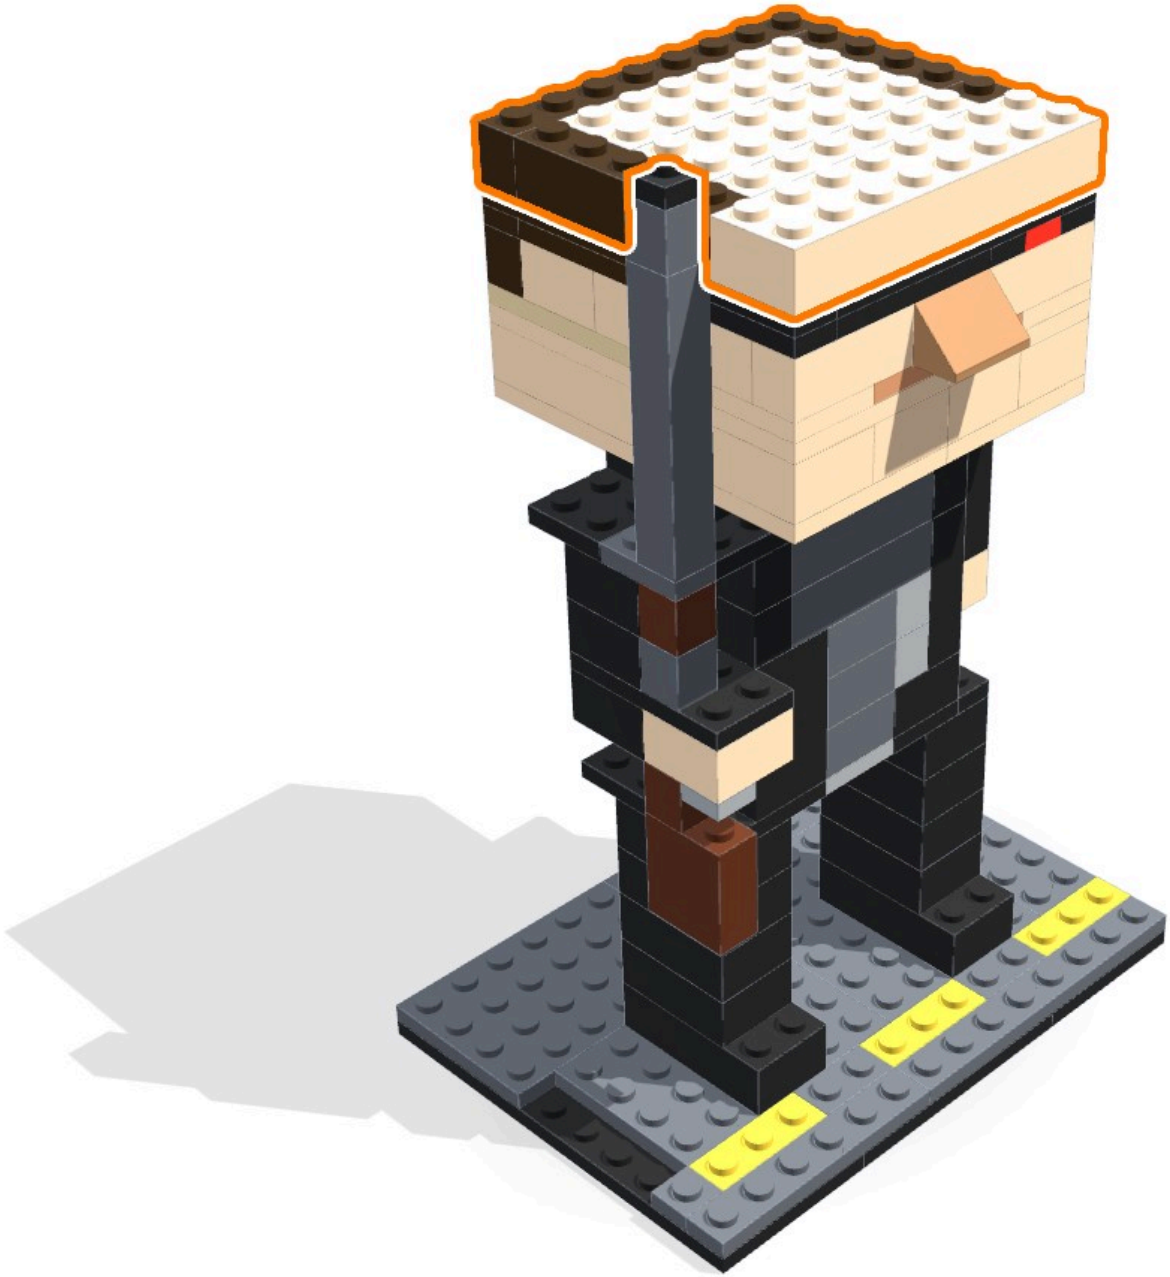

PASSO

15

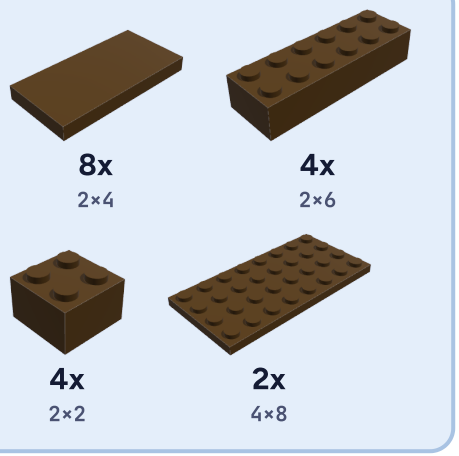

Testa

Uma camada para a testa, com o cabelo curto marrom-escuro já nas têmporas e na parte de trás da cabeça.

PASSO

16

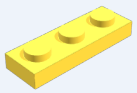

Cabelo rente

Uma camada de blocos marrom-escuros, uma camada de placas marrom-escuras e, por cima, placas lisas 2×4: cabelo curto, rente, do jeito que aparece no filme.

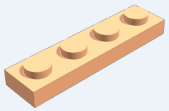

Lista de peças

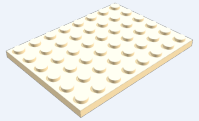

160 peças, 64 tipos. Qualquer cor parecida serve.
